They should be placed and attached there without detaching the original proposal. (The paper copy of the bid items is the official bid document.) Please remember that you must use the electronic bidding system (EBS) when bidding projects in the highway Letting. Failure to use the EBS system could mean possible rejection of bids. Plans and proposals should be ready for sale on **February 27, 2003**.

The direct line to the ODOT order desk is 522-3474. Please use this number when ordering plans and proposals. If ordering plans only please call the Reproduction Branch at 521-2586.

A Pre-Bid Conference will be held at **10:00 a.m.** on **March 14, 2003** concerning this **March** Bid Opening at the Oklahoma Department of Transportation (ODOT) Commission Room. This will help both ODOT and Contractor.

From 30 minutes before the Bid Opening until the time of the Bid Opening, bid proposals must be turned in directly to the ODOT Commission Room on the east side of the lobby.

This may be submitted with the bid or not later than the Department's close of business on the Wednesday following the bid opening.
