

CONSTRUCTABILITY REVIEW

A Constructability Review will be held for the following project:

IMY-0044-2(473)225 NC

JP NO. 06374(68)

Tulsa County

Description:

**I-44 north frontage road from Arkansas River extending east approximately 1.25 miles
(Includes Perryman ditch).**

Scope of Work:

Reconstruction of the north frontage road of I-44 including ramps, street connections, and drives. Also included is the Perryman ditch outfall which will require construction of an 80' bottom rip rap channel and a 6900 ft. long RCB varying in size from a 3- 10' x 10' to 3- 12' x 12'. It will also require sanitary sewer and waterline reconstruction.

Estimate:

\$42 million

Proposed Letting:

October 16, 2008

90% plans are available from Office Engineer Division as of Tuesday, July 15, 2008. The Constructability Review will commence immediately following the August 8th Pre-Bid meeting in the ODOT Commission Room.
