## NOTICE TO BIDDERS

Notice is hereby given that the Board of County Commissioners of Kingfisher County will receive sealed bids on labor and materials necessary for the soil recycling of multiple county roads for Districts 1 and 2. Bids will be accepted at the Kingfisher County Courthouse in the Office of the County Clerk until 4:00pm on the 22<sup>nd</sup> day of April, 2022 to be opened at their regular meeting of April 25<sup>th</sup>, 2022.

Statement of Work and Specifications of the project to be bid are included in the bid packet and also available from the purchasing agent located in the Kingfisher County Clerk's office and the County Engineer's office.

The successful bidder is required to produce a performance bond upon request and to show certificates of Insurance, its limits, and Workers Compensation Insurance. This will be detailed in the Statement of Work and general requirements.

The Board of County Commissioners reserves the right to reject any or all bids. All bidders must complete a statement of non-collusion and a Cashier's Check, a certified check, or a surety bid bond in the amount of five percent (5%) of the gross amount of base bid as a guaranty, shall accompany the sealed proposal of each bidder. Deposits will be returned to the unsuccessful bidders and successful bidders, upon approval of the contract and submission of a 100% Performance Bond, a 100% Statutory Bond, and a 100% Maintenance Bond. Please contact Kingfisher County Clerk's office for bid results at 405-375-3887.

## Statement of Work

**General:** The Bidder should bid labor and materials necessary to complete this project, for soil recycling of approximately 16.5 miles of road (Bidder is responsible to verify the miles). The Bidder shall provide all materials, labor, and equipment to complete this project and return to grade. No detours will be created, the flow of traffic must be maintained. All work must be done under the supervision of the County and the Kingfisher County Commissioners will perform a final inspection, in their respective district, of the roads before accepting the work performed. Inspection/Materials Testing will be conducted by CED 8 on the County's behalf. Construction to be performed from date of Notice to Proceed, depending on weather and seasonal limitations, and completed within 60 days. All materials used and performance of work must adhere to ODOT Construction Specifications Manual, 2009 edition.

**This project will proceed a separate chip & seal project by bid and must coordinate the timing of soil recycling to be within two (2) weeks of the chip & seal contractors start time.**

### **SPECIAL NOTE: Pre-Bid Conference**

All contractors who are interested in submitting a bid should attend the Pre-Bid Conference. The conference will be held **April 4<sup>th</sup>, 2022** in the office of the County Commissioners at the Kingfisher County Courthouse at **10:30 a.m.** We will discuss each District's projects, safety procedures, traffic control, and answer any questions you may have.

### **Section 1 Traffic Control**

It will be the responsibility of the Contractor to supply and use traffic control devices for said project in accordance with ODOT specifications and the **Manual for Uniform Traffic Control Devices (MUTCD) Part 6 – Temporary Traffic Control**. The Contractor will ensure that all traffic control will provide the public with adequate warning of the construction area 24 hours a day, 7 days a week, and in all weather conditions through the duration of the project. Close adherence to traffic control guidelines is necessary for the safety of road crews and the motoring public.

Flaggers must be present at each end of the work zone and must use a Stop/Slow Paddle, no flags are allowed. Pilot cars may be used and must adhere to MUTCD standards for signage and warning lights.

### **Sec 2. Insurance**

The contractor shall not commence work under this contract until he has obtained all insurance required under these specifications and such insurance has been approved by the owner, nor shall the contractor allow any subcontractor to commence work on his subcontract until all similar insurance required of the subcontractor has been so obtained and approved.

**Compensation and Death Liability Insurance.** The contractor shall maintain during the life of this contract Workmen's Compensation Insurance as prescribed by the laws of the State of Oklahoma and Employer's Liability Insurance in the amount not less than **One Hundred Thousand Dollars** (\$100,000.00) for all his employees at the site of the project, and, in case any work is sublet the contractor shall require subcontractors similarly to provide Workmen's Compensation and Employer's Liability Insurance for all the latter's employees, unless such employees are covered by the protection afforded by the contractor. In the event any class of employees engaged in hazardous work performed under this contract at the site of the project is not protected under this insurance heretofore mentioned, the contractor shall provide, and shall cause each subcontractor to provide, adequate insurance for the protection of his employees not otherwise protected.
