

NOTICE OF PUBLIC MEETING

All interested persons are hereby given notice that the Oklahoma Department of Transportation (ODOT) is studying improvements to US-70 in McCurtain County. The study corridor begins approximately 6.4 miles east of the junction of SH-3 in Broken Bow and extends east to the Oklahoma/Arkansas state line. A public meeting is scheduled for 6:00 p.m., Tuesday, August 30, 2005 at the Broken Bow Public Library located at 404 North Broadway, Broken Bow, Oklahoma.

US-70 is currently a two-lane roadway with shoulders. This segment of roadway is classified as inadequate on the Oklahoma Department of Transportation Highway Sufficiency Rating Map. The Department proposes to add 2 new parallel lanes and resurface the existing lanes through this segment of roadway. The project is in the early stages of development and any comments relative to the corridor or items previously listed would be appreciated.

ODOT strives to accommodate the needs of all residents, including those who may be disabled. If you would like to attend this meeting but find it difficult because of a disability, architectural barrier, or another special need, please contact Mr. Craig Moody at (405) 522-1465.

Questions before the meeting may be directed to Mr. Scott Stegman at (405) 522-8014 by telephone or by writing Mr. Scott Stegman at Oklahoma Department of Transportation, 200 Northeast 21st Street, Oklahoma City, Oklahoma 73105.
