Public Meeting Scheduled for SH-39

The Oklahoma Department of Transportation (ODOT), in cooperation with the Federal Highway Administration (FHWA) is proposing to improve SH-39 east of Chickasha in Grady County, Oklahoma. The proposed improvements include the replacement of two deficient bridges on SH-39 over West Winter Creek and an unnamed creek and adding shoulders to the roadway between County Road NS 294 (Alex Junction) and County Road NS 296. The purpose of the project is to provide improved safety on SH-39.

A public meeting to present project information and receive public input will be held on **April 26, 2011** at 6:00 p.m. at the Grady County Fairgrounds, Community Building, 500 E. Choctaw, Chickasha, Oklahoma. The meeting will include a presentation about the proposed improvements to the highway including why the improvements are needed, the type of improvements proposed, a proposed detour route and the expected impacts to motorists and the surrounding community. The purpose of the meeting is to obtain input regarding social, economic, and environmental effects that may result from the project.

If you require special accommodations for the meeting, please direct your request to Ms. Frances Campbell, ODOT Public Involvement Specialist, at 200 NE 21st, Oklahoma City, OK 73105, (405) 521-2705 or FCampbell@odot.org at least three (3) working days in advance of the meeting date.

Should you have any questions regarding the project, please contact Ms. Ronda Lindsay, ODOT Division 7 Project Manager at 405-522-7603 or RLindsay@odot.org
