## RICHARD D. NEWKIRK BRIDGE

Senate Resolution Number 50

Approved May 17, 2002

WHEREAS, Richard D. "Dick" Newkirk was born March 14, 1918, to J. E. Newkirk and Jeanetta Terrell. He graduated from Sperry High School and married Lorraine Miller on December 28, 1941; and

WHEREAS, during World War II, Richard Newkirk turned down an assignment with the U. S. Army Corps of Engineers at Fort Riley, and instead, enlisted and served with the Ninth Air Corps in England, rising to the rank of First Lieutenant. A gunnery instructor, he was credited with several innovations, including design of a sight that enhanced the ability of pilots to skip bombs into caves in the North Atlantic where enemy U-boats were hidden; and

WHEREAS, after the War, Richard D. Newkirk moved to Muskogee, Oklahoma, and served in the United States Army Corps of Engineers for three years, surveying the land that would become Fort Gibson Lake; and

WHEREAS, although possessing only a high school education, Richard D. Newkirk achieved certification as a Professional Civil Engineer and a Professional Land Surveyor; and

WHEREAS, Richard D. Newkirk joined the Oklahoma Department of Transportation as a laborer earning 35 cents an hour. He served for 45 years, retiring in 1987 as Division Engineer of Division One, after holding that position for 13 years; and

WHEREAS, Richard D. Newkirk's legacies include the Shawnee Bypass, the Nat Irish Freeway, the Southeast (Peak Boulevard) Bypass, and the bridge crossing the railroad track which enters the OG&E plant in Muskogee, Oklahoma; and

WHEREAS, Richard D. Newkirk was very active in community affairs. He was a member of the Muskogee Park Board in the 1950s and a member of the Board of Directors of Commercial National Bank. He also served as Chair of the Muskogee Red Cross. Richard was a member and Chair of the Muskogee Port Authority for a period of 16 years and served for 23 years as a member of the General Hospital Board. In these positions, he was instrumental in the development of the Port of Muskogee and the Muskogee Regional Medical Center; and

WHEREAS, Richard D. Newkirk was a 32nd Degree Mason and past Director of Muskogee Court of Jesters #99. His charitable endeavors included the Bedouin Shrine Temple and the Shrine Circus; and

WHEREAS, Richard D. Newkirk was an avid sportsman, an excellent marksman and fisherman. In his youth he played semi-professional baseball as a shortstop for several corporate teams in Tulsa, Oklahoma, during the 1930s; and

WHEREAS, Richard D. Newkirk died at his lake home near Muskogee, Oklahoma, on Monday, August 17, 1998, at 80 years of age. He was posthumously awarded the Lifetime Achievement Award by the Oklahoma Good Roads and Streets Association.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE OF THE 2<sup>nd</sup> SESSION OF THE 49<sup>TH</sup> OKLAHOMA LEGISLATURE:

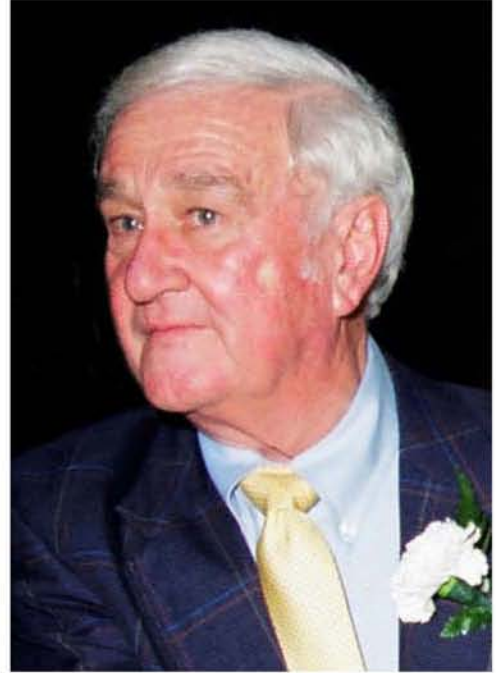

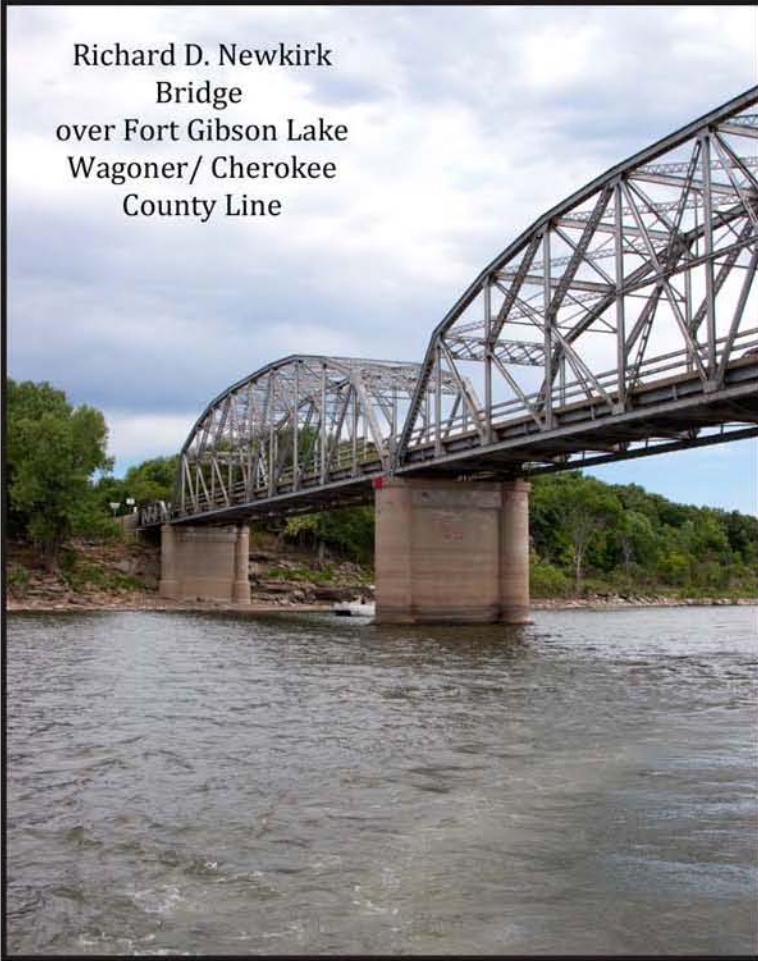

THAT the Oklahoma State Senate praises Richard D. Newkirk's dedicated service to the people and State of Oklahoma.

THAT the Oklahoma State Senate directs the Oklahoma Department of Transportation to designate the Fort Gibson Bridge east of Wagoner, Oklahoma, and west of Hulbert, Oklahoma, on State Highway 51, the "Richard D. Newkirk Bridge".

THAT the Oklahoma State Senate directs the Oklahoma Department of Transportation to place permanent, suitable markers upon the bridge bearing his name.

THAT a copy of this resolution be distributed to Richard D. Newkirk's two daughters, Judy Newkirk Kelley and Jill Newkirk Gotcher; his son, Richard Terrell Newkirk; and the Oklahoma Department of Transportation.

45 years of service to  
Oklahoma Department of Transportation

# Forward

This report is published by the Planning & Research Division of the Oklahoma Department of Transportation for distribution to the State Legislature, Transportation Commission and Department Administrative personnel. The chronology lists memorial highways, bridges, and other special named routes that have been designated by the State Legislature and the Oklahoma Transportation Commission since 1933. Its primary purpose is to inform the reader of existing named facilities and the prevention of duplicate or multiple commemorations for the same section of highway or bridge site. Commemorative designations for sections of Oklahoma's Turnpike System other than the *Turner* and *Will Rogers* are not listed.

Copies of Legislative and/or Transportation Commission actions pertaining to specific Memorial Highways and Bridges may be obtained upon request from the Planning & Research Division Engineer. Current Transportation Commission policy for dedications and commendations is presented under Title 730, Section 15-1-9 of the Oklahoma Administrative Code. A **(PIC)** symbol in the chronology sections of this report indicates that photographic documentation is available for a particular commemorative highway or bridge. These pictures may be viewed on the Oklahoma Department of Transportation website at <http://www.okladot.state.ok.us/memorial/index.htm>.

To date, three hundred and twenty-six (326) memorial designations have been placed on roads and bridges within the state to honor and commemorate Oklahomans and Americans from all walks of life. From Martin Luther King, Jr. to Shannon Miller and Jim Thorpe of Olympic fame, Oklahoma acknowledges the outstanding contributions of its citizens and fellow Americans.

Some monuments of commemorations listed in this book may not presently exist, or the location description appears to have changed. Monuments might have been destroyed due to widening, reconstruction, or relocation of a highway or bridge. A few monument plaques have been stolen, vandalized, or moved to nearby museums or historic sites. After a highway designation has been removed from a commemorative roadway, the local jurisdiction may continue to honor the designated road, street, or bridge.

To obtain a copy of this report or gain more information about a named highway or bridge, contact the Planning & Research Division of the Oklahoma Department of Transportation, 200 N. E. 21<sup>st</sup> Street, Room 3A-7, Oklahoma City, Oklahoma 73105-3204.

## **Laws and Policy**

**Transportation Policy of Dedications and Commendations**  
**OAC 730: 15-1-9**

**Legislative Commemorations**

**Types of Legislation**

## LEGISLATIVE COMMEMORATIONS

Before a Bill or Resolution is written for memorial highway or bridge commemoration signs, consideration should be made of the cost and potential safety hazard of signs. Based on estimates made in 2004, two (2) memorial highway or bridge signs cost approximately \$400 to fabricate and install. This figure does not include the maintenance involved for keeping the sign in place, mowing around the signs, or the potential hazard it poses to the motoring public.

Highways and bridges should not have multiple commemorative designations, therefore, a request for a memorial commemoration should not be made on a highway or bridge that is currently designated in honor of a person or a group. The maps and index in this book are quite helpful in finding which highways or bridges have currently been commemorated.

After legislation is in place to name a highway or bridge, the Bill or Resolution is presented at the following regularly scheduled Oklahoma Transportation Commission meeting. Upon approval of the Commission, the commemoration signs are ordered and fabricated through the Oklahoma Department of Transportation sign shop and shipped to the corresponding Division for installation under the direction of the Division's Traffic Engineer.

If the commemoration is for a person that has not been deceased five or more years, it requires a unanimous Transportation Commission vote to approve the commemoration signs. The Commission is comprised of eight members and occasionally the absence of a Commissioner is unavoidable, whereby the item is tabled until the next full Commission meets. Several months may elapse before the approval or denial takes place.

Please look at the Department of Transportation website for the Commission meeting schedule. Contact Mary Brewington, Legislative Analyst at (405) 522-6002 should any questions arise.

## TYPES OF LEGISLATION

**BILL:** Becomes a law if passed by both houses and signed by the Governor.

**JOINT RESOLUTION:** Has the force and effect of a law if passed by both houses and signed by the Governor.

**CONCURRENT RESOLUTION:** Does not have the force or effect of a law and must pass both houses. It is not signed by the Governor.

**RESOLUTION:** Expresses the intent or will of the respective house. It does not have the force or effect of a law and requires passage only by the house that introduced it. It is not signed by the Governor.

## CHAPTER 15. HIGHWAY PLANNING

### 730:15-1-9. Dedications and commendations

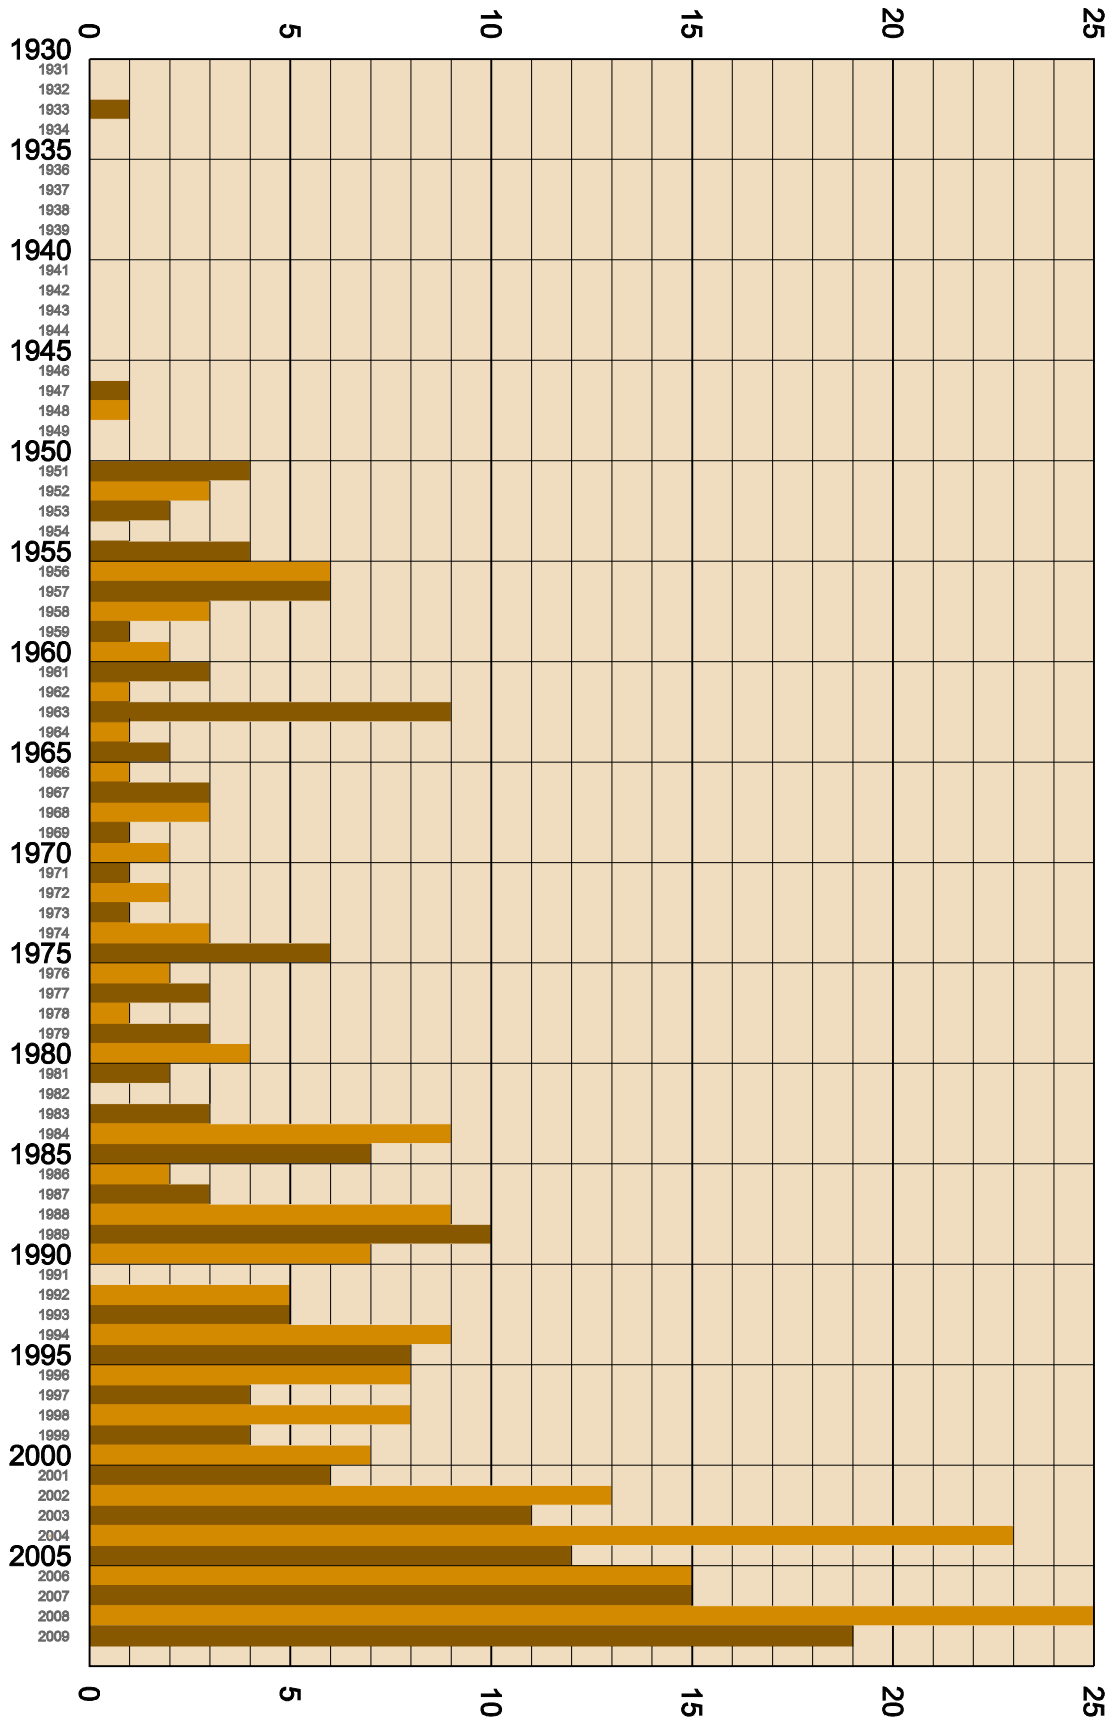

(a) Highway, bridges, and other facilities which are part of the state highway system may be considered for dedication in honor of individuals deserving of commendation for their active involvement in the project or for outstanding service to the nation, this state, or their community. Persons proposed to be so honored shall have been deceased not less than five years prior to consideration. Proposals for the dedication of state highway facilities should specifically state the accomplishments upon which the proposal is based.

(b) Elected governmental bodies may, by formally adopted resolution, propose the naming of such facilities to the Commission.

(c) No facility or group of related facilities shall be considered for naming in honor of more than one individual or entity, once named. Except in the most unusual circumstances, the Commission shall not consider changing the name of the facility, nor shall the Commission consider changing or designating additional names to the current named facility or city street which is also part of the state highway system.

## SPECIFICATIONS FOR BRONZE PLAQUES

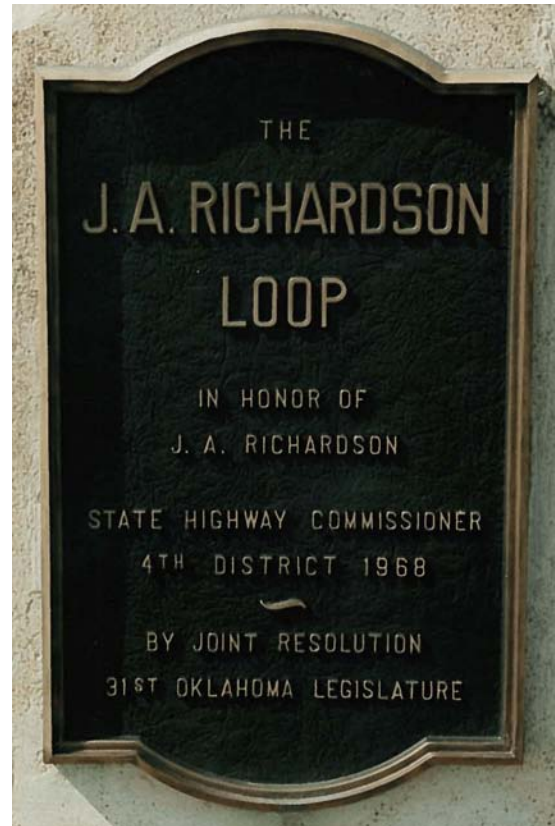

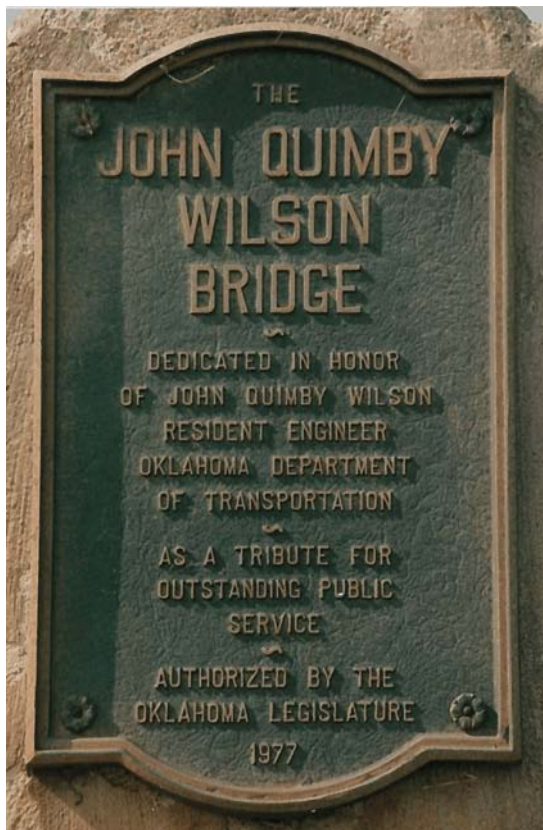

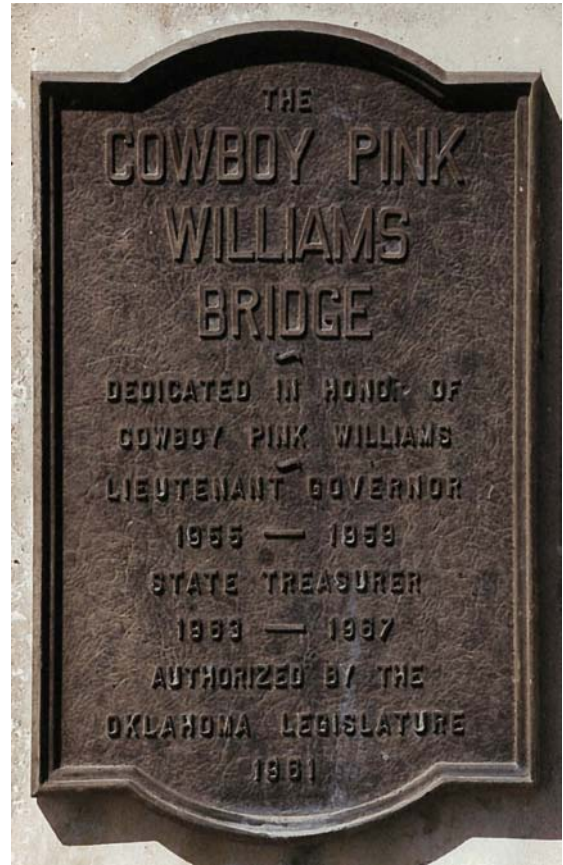

1. Plaques to be cast in accordance with the drawings shown and these specifications.
2. Plaques to be cast in bronze, of solid metal, hand cast, for use in the "Copper-Base Alloy in Ingot Form for Sand Castings", suitable for mounting on an appropriate vertical surface.
3. Size, shape, design, and legend to be essentially in accordance with the sketch shown - overall size of plaque 12" x 18".
4. All letters to be condensed block - line letters 1.1/4" high - small letters 1/2" high.
5. All figures to be condensed block - line figures 1.1/4" high - small figures 1/2" high.
6. Font to be condensed block - line font 1.1/4" high - small font 1/2" high.
7. Font to be condensed block - line font 1.1/4" high - small font 1/2" high.
8. Font to be condensed block - line font 1.1/4" high - small font 1/2" high.
9. Font to be condensed block - line font 1.1/4" high - small font 1/2" high.
10. Font to be condensed block - line font 1.1/4" high - small font 1/2" high.

**BRONZE PLAQUE AND MONUMENT FOR MABELLE KENNEDY HIGHWAY S.H. 60 PAWHUSKA CITY LIMITS TO ARKANSAS RIVER BRIDGE**

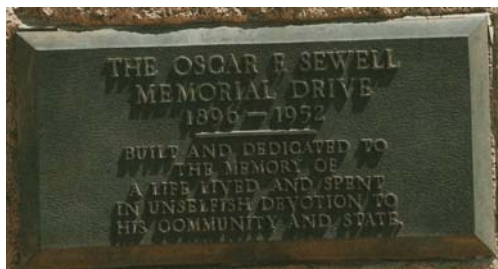

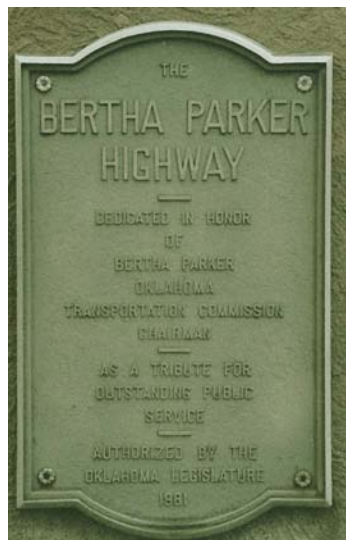

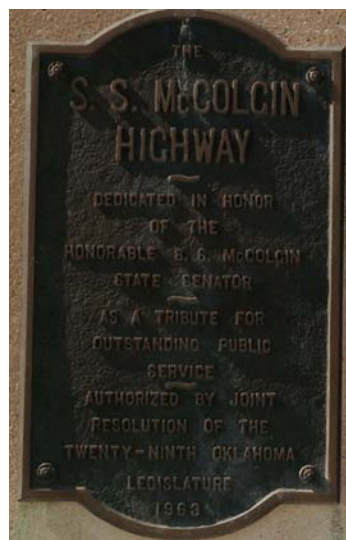

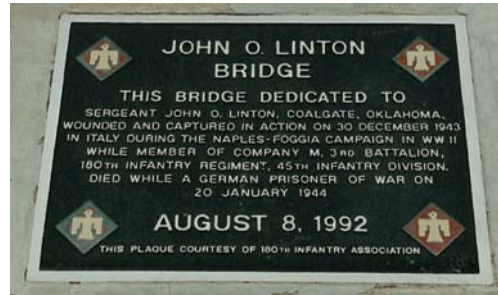

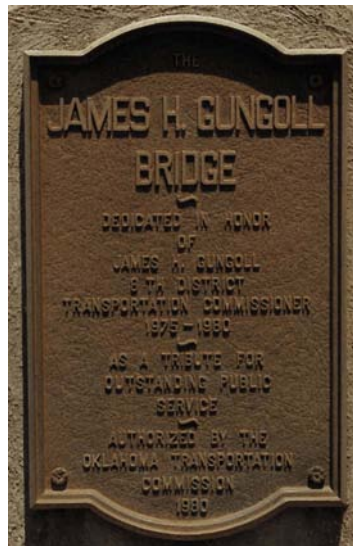

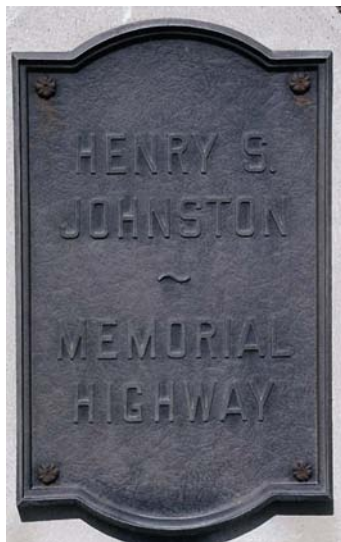

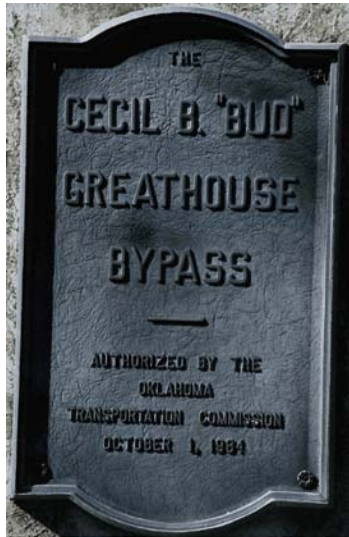

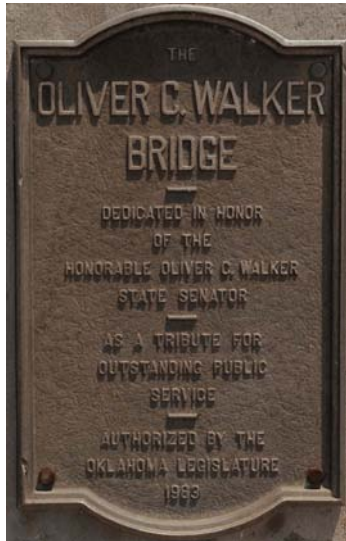

# BRONZE PLAQUE AND MONUMENT ERECTED AT MEMORIAL SITES 1940's - 1985

Plaques have been erected at memorial sites prior to 1985. Some monuments might have been destroyed due to widening, reconstruction, or relocation of a highway or a new bridge built. A few monument plaques have been stolen, vandalized, or moved to nearby museums or historic sites.

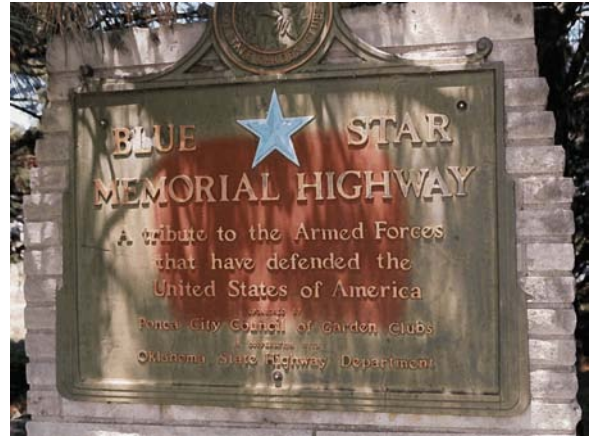

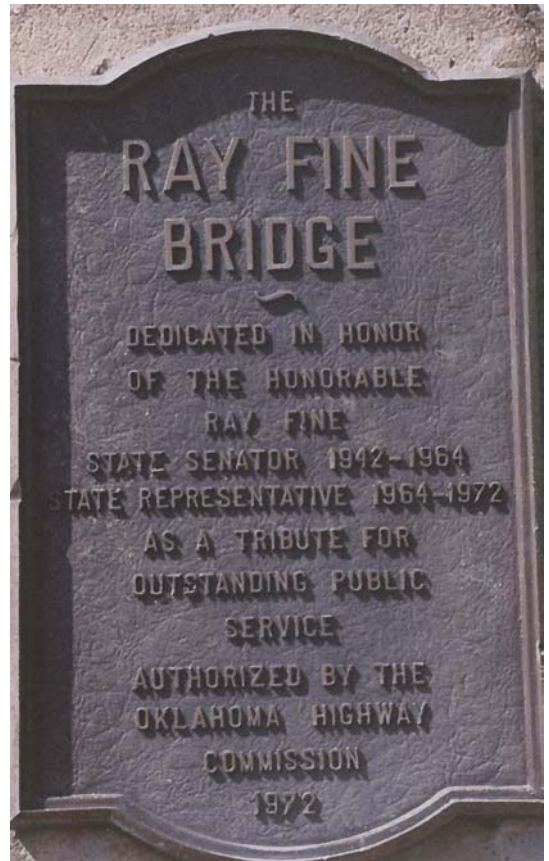

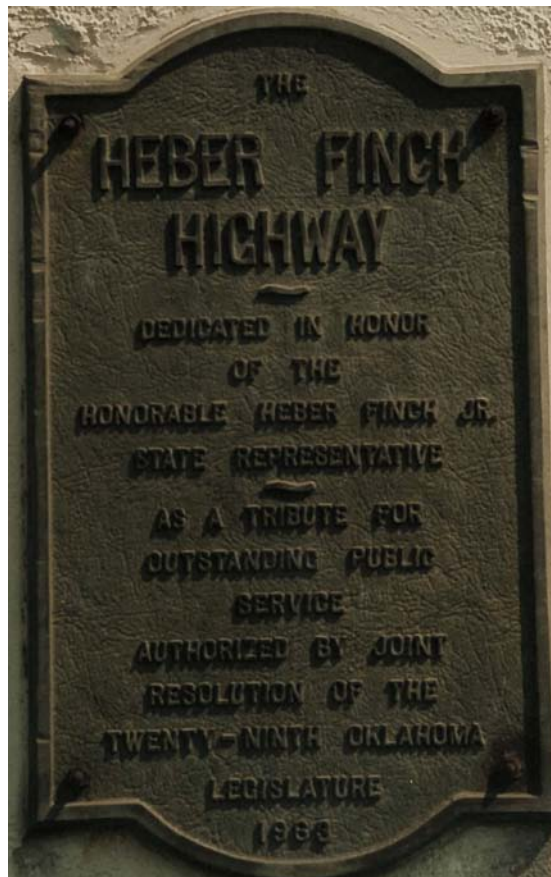

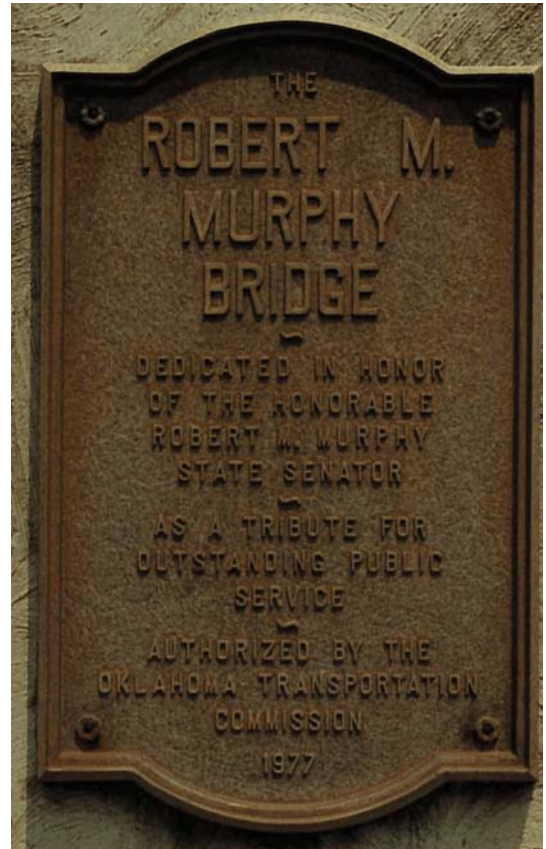

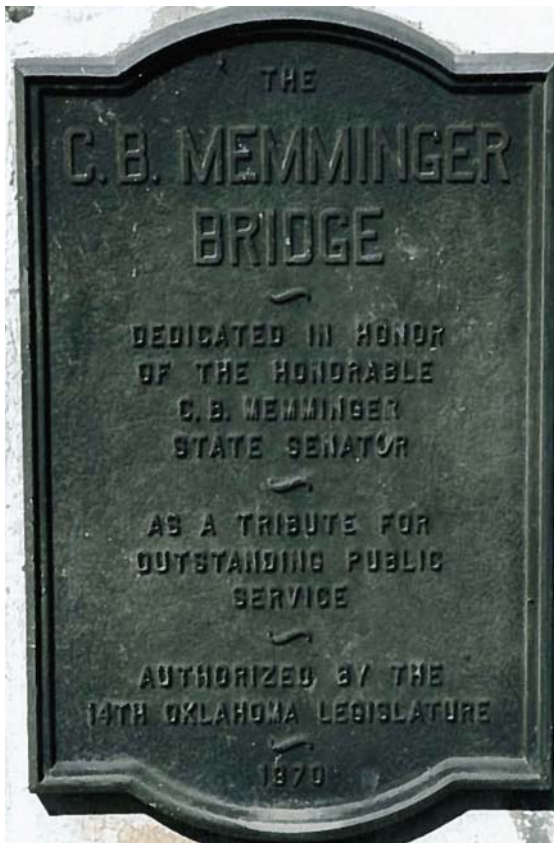

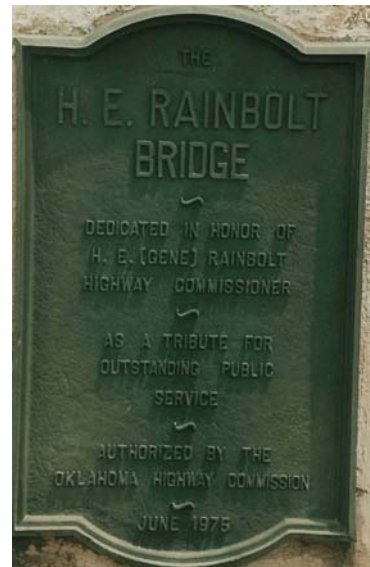

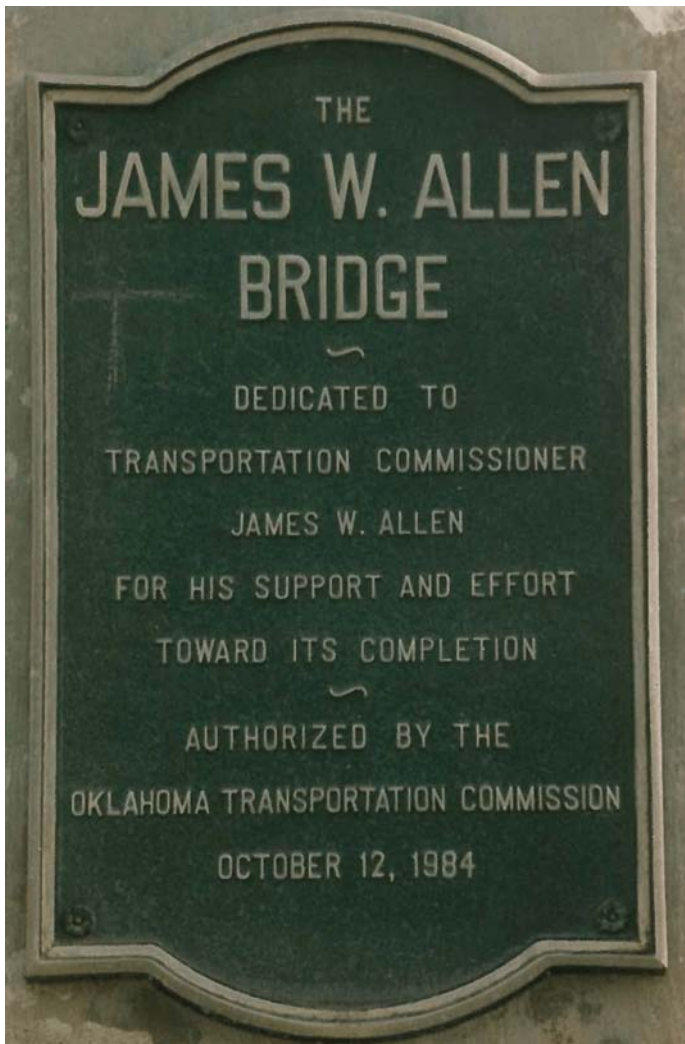

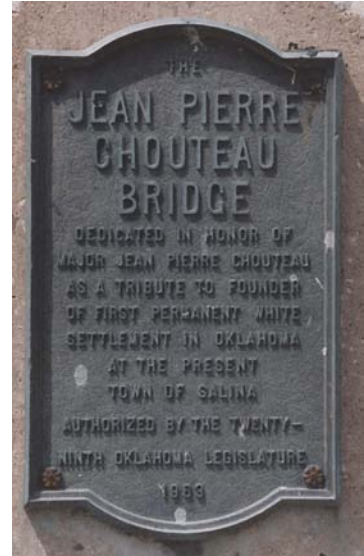

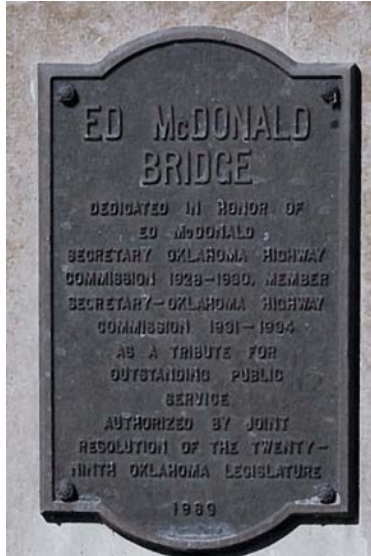

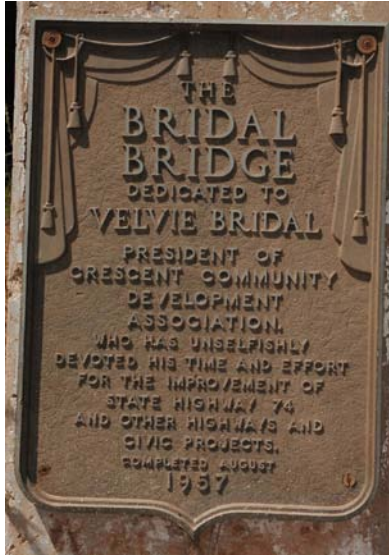

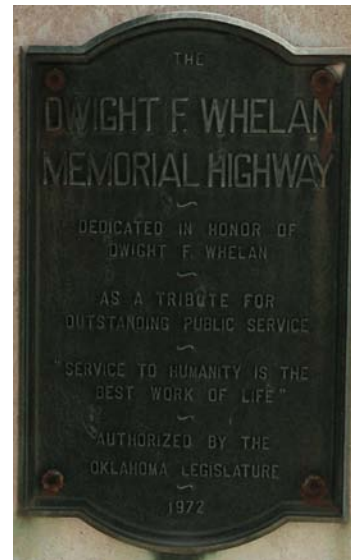

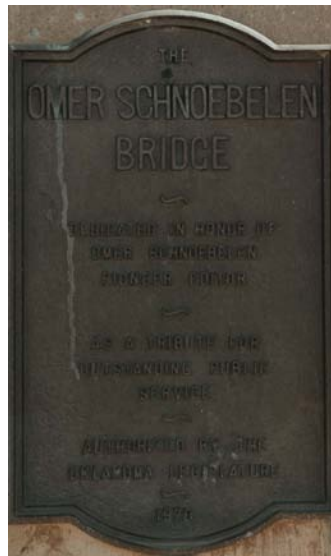

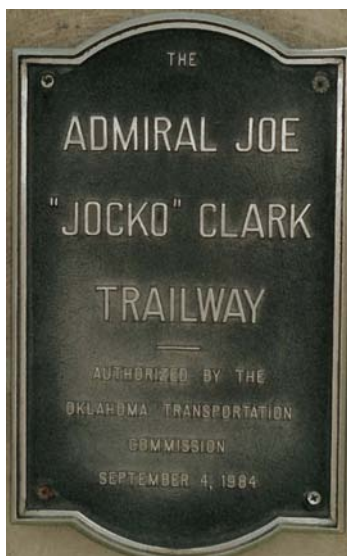

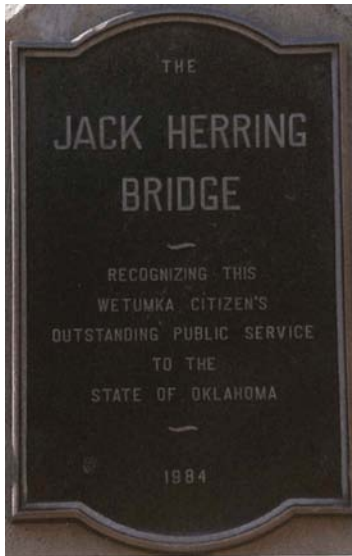

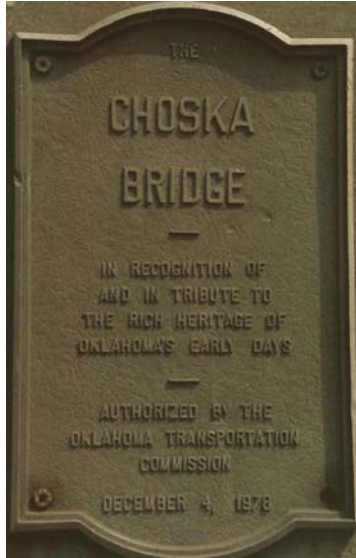

## THE BLUE STAR MEMORIAL HIGHWAY

Oklahoma Senate Joint Resolution 12 of 1951 dedicated U.S. Highway 77 throughout the State of Oklahoma as a memorial highway in honor of all Oklahomans who served in the Armed Forces of the United States in World War I and World War II. Markers like this one were set up in roadside parks along the highway by the Garden Clubs across Oklahoma in cooperation with the Highway Department and the Planning and Resources Board. This monument is located at Ponca City at the junction of US 60 and old US 177.
