PR# 14-050

Harold Roberts was recently named Employee of the Quarter for the Oklahoma Department of Transportation's Division One, which encompasses eight counties in eastern Oklahoma.

Roberts has worked for ODOT for 25 years and is an Administrative Technician III at the McIntosh County maintenance yard in Eufaula. He was nominated for the honor anonymously by one of his coworkers.

"Harold has a positive attitude and is always thinking about safety for our crew," an anonymous coworker said. "He is always asking us to be conservative on what we use from our warehouse while still making sure that we have what we need to do our job. Harold is very good at keeping files and records in good condition so that any needed information is easily accessed."

Roberts and his wife, Stacey, live in Eufaula and have five children and five grandchildren. He enjoys hunting with his grandson, going to Corvette shows and spending time with his family.

The "Employee of the Quarter" is an internal award recognizing dedication and hard work and is given to exceptional employees who consistently exhibit the highest standards in job performance.

Division One is headquartered in Muskogee and is responsible for highway construction and maintenance in Adair, Cherokee, Haskell, McIntosh, Muskogee, Okmulgee, Sequoyah and Wagoner counties.
