## **Citizens invited to give input at public meeting on planned SH-9 widening in Norman**

The Oklahoma Department of Transportation is hosting a public meeting on Tuesday, Oct. 28 at the Little Axe Community Center in Norman to present information and receive public input to on the proposed project to improve SH-9 in Norman from 72<sup>nd</sup> Ave. S.E. east to 108<sup>th</sup> Ave. S.E.

This area of SH-9 lacks capacity for current and future traffic demands. Proposed improvements in the estimated \$13 million project include widening SH-9 to two lanes in each direction with a paved median and shoulders.

A presentation is planned followed by a question and answer period and the opportunity for the public to visit one-on-one with engineers and planners and provide comments.
