I-40 narrowed in Sallisaw area through Spring 2015

East and westbound I-40 is narrowed to one lane in each direction between Dwight Mission Rd. (Mile Marker 303) and US-59 (Mile Marker 308) in the Sallisaw area through Spring 2015 for a pavement rehabilitation project.

In June, the Oklahoma Transportation Commission awarded a contract with a more than \$10.4 million base bid and potential financial incentives for early completion of this project to Duit Construction Co., Inc/TTK Construction Co., Inc of Edmond.
