SH-17A closed, detoured near Wynnewood through March 2015

SH-17A is closed to through traffic in each direction approximately two miles east of I-35 near Wynnewood through March 2015 for a bridge rehabilitation project. Drivers will be detoured on I-35, SH-29 and US-77.

In May, the Oklahoma Transportation Commission awarded a nearly \$575,000 contract for this project to PBX Corporation of Sapulpa.
