Traffic Advisory
November 4, 2014

US-69 lanes closed for resurfacing, median cable barrier projects

Expect intermittent lane closures on north and southbound US-69 from one mile north of Stringtown to Chockie Mountain Road in Atoka County for a resurfacing project.

Anticipated completion date of this rebuilding project is Winter 2015, weather permitting.

During this time, crews will also add a median cable barrier to this section of US-69.

Drivers should expect delays and plan for extra travel time.
