Traffic Advisory
Friday, September 2, 2011

The project below is weather permitting:

SH-20 narrowing at Quapaw Creek in Osage County Tuesday

East and westbound SH-20 will be narrowed to one open lane over Quapaw Creek (about four miles west of the Tulsa County line in Osage County) from 8 a.m. Tuesday until further notice as part of a bridge rehabilitation project. A temporary traffic signal will be in place, and drivers are urged to use caution as traffic adjusts to this workzone.

The \$720,000 project was awarded to Becco Contractors, Inc., and is expected to take about four months to complete.
