DATE: December 21, 2007

TO: Consulting Engineering Companies

FROM: Gordon J. Johnson, Local Government Division

SUBJECT: Solicitation for County Improvements for Roads and Bridges Program (CIRB)

At this time, the Department is soliciting the services of consulting engineering companies to provide Preliminary Engineering Services for projects identified by the ODOT within limits of the State of Oklahoma to assist in the preparation and delivery of the Department's 5 Year CIRB Construction Work Plan. These services require qualifications, expertise, experience and/or equipment that are of a highly specialized nature. Please find attached a comprehensive list of projects and descriptions for which the Department is seeking the noted services.

The Department solicitation of interest response mechanism is intended to reduce the reproduction requirements on work of a similar scope and/or specific to ODOT Field Divisions that will be reviewed by a common selection committee. Therefore, your response **for the Engineering Contracts that you are interested in being considered for** will include a total of one (1) response packet (one (1) unbound original and five (5) copies) per common selection committee as described as follows:

****RESPONSE PACKET 1****

One (1) combined packet for each EC number including the following:

- A Letter of Interest referencing the Engineering Contract Number(s) **(reference the specific EC No.)**
- A Table of Organization depicting the proposed project team
- Any additional information you believe appropriate for the Department's use in determining your capabilities and qualifications to perform the type of work encompassed by that particular contract.
- A statement of your qualifications (CAP 255 Form preferred)

Please remember that this is a SOLICITATION OF INTEREST and not a Request for Proposal. As such, you are only requested to provide information related to your qualifications to perform the work described. Any additional information you choose to provide related to proposed solutions for the solicited projects or any other prepared Contract/Project specific media is NOT required and is unnecessary for the Department's processes. Proposals will be requested upon entering the interview phase of the Consultant Selection Process.

The deadline for the submittal of your Response Packets will be 4:30 p.m. January 11, 2007.

The Department anticipates the Selection Process to be completed and the Notices to Proceed sent no later than March 1, 2008.

LETTER OF INTEREST PACKET SUBMITTAL:

Please submit all packets to the following address:
