<b>Construction Project Job Piece No.</b>	<b>Task Order</b>	Additional field division facility improvements may be required. Complete architectural, mechanical, electrical, plumbing, structural, engineering, and site adaptation or renovation services may be required for these secondary buildings depending on the particular site.  The environmental document(s), property and topographic survey and final locations of each facility will be determined and provided by the Department.

The Department solicitation of interest response mechanism is intended to reduce the reproduction requirements on work of a similar scope and/or specific to ODOT Field Divisions that will be reviewed by a common selection committee. Therefore, your response for **each** Professional Services Contract that you are interested in being considered for will include the following:

- A Letter of Interest referencing the Engineering Contract Number that you are interested in being considered for.
- A Table of Organization depicting the proposed project team.
- Any additional information you believe appropriate for the Department's use in determining your capabilities and qualifications to perform the type of work encompassed by that particular contract.
- A statement of your qualifications (CAP 255 Form preferred).
- **A statement that identifies your firm's strategy in meeting the proposed DBE goal.**
- **Latest available FAR audit or audit status correspondence.**

**Please remember that this is a SOLICITATION OF INTEREST and not a Request for Proposal. As such, you are only requested to provide information related to your qualifications to perform the work described. Any additional information you choose to provide related to proposed solutions for the solicited projects or any other prepared Contract/Project specific media is NOT required and is unnecessary for the Department's processes. Proposals will be requested upon entering the interview phase of the Consultant Selection Process.**

The following factors will be considered primary for determining the firms that will be extended an invitation to interview and/or provide a proposal for Response Packet(s):

1. Experience and/or familiarity of the proposed Consultant Team with Department procedures.
2. Ability of the Consultant Team to perform the type of work contemplated.
3. Specialized qualifications of the Consultant Team applicable to the type of work contemplated.
4. Capacity of the Consultant Team to accomplish the work in accordance with the anticipated schedule considering current workloads.
5. Past performance of the Consultant Team (references may be requested if not provided).

**The deadline for the submittal of your response will be 4:30 p.m. February 14, 2014.**

The Department anticipates the selection process to be complete and the contracts negotiated as soon as possible and as quickly as April, 2014 for response. As all these contracts are anticipated to be financed with Federal Fiscal Year 2015 funding, the Notice to Proceed is expected as soon as possible and as quickly as July, 2014.

**PLEASE NOTE:** Response packets may **now** be submitted **electronically in a .pdf format** to **consultantloi@odot.org**.
