

Revised SRTS Application Time Line

Due to the recent ice storm in our State, the Department of Transportation has elected to modify the Safe Routes to School application time line as follows:

October 1, 2007	Open Application for SRTS Travel Plan
February 7, 2008	SRTS Travel Plan received in ODOT office by 4:00 pm.
March 4, 2008	Approval letters sent to SRTS Travel Plan applicants
March 11, 2008	Open Application for Infrastructure and Non-Infrastructure Projects
June 12, 2008	Infrastructure and Non-Infrastructure Applications received in ODOT office by 4:00 pm.
June 19, 2008	Applications distributed to Advisory Committee for review and scoring of projects.
September 4, 2008	Advisory Committee selects projects.
* October 2008	Begin NEPA Review Process
November 2008	Project recommendations submitted to the Oklahoma Transportation Commission for approval.
November 2008	Applicants notified.
February 2009	Contracts between ODOT and Applicants executed and a written Notice to Proceed issued.

* Applicable for Infrastructure Projects Only

I hope this small effort will help ease the stress during this difficult time. **Please pass this information on through your list-serv or available communication alternatives.** Thank you, and remember that I am always available for any questions you may have.
