GUEST SPEAKER

Daniel Goff – Head of Policy for Kodiak AI: Gave an update on Kodiak Oklahoma Operations

RESOURCES AVAILABLE TO EDUCATE THE PUBLIC ON AUTONOMOUS VEHICLE SAFETY

Tom Robins discussed two challenges and how to fix them: different vocabulary meaning different things to different people and general confusion when it comes to the public and understanding and adopting certain technology.

AUTONOMOUS VEHICLE WORKING GROUP UPDATE – Jared Schwennesen

Tom gave an update in previous discussion to moved on to the following topic.

EMERGING AVIATION SUBCOMMITTEE UPDATE – Doug Wood

Have had two meetings since the last Advanced Mobility Meeting in December. Discussed an attempt to get an extern to work with the subcommittee. They had three applications but by the time the interviews came around they had accepted other positions. Would like to get an extern by next summer or fall. All meetings so far have been held virtually and discussed a way to come together in person and taking a tour somewhere.

DISCUSSION OF FUTURE MEETING DATES

Future meeting dates will be held on the 3rd Thursday of each month, invites will be sent out for remainder of year.

OPEN DISCUSSION

Amy Walton suggested since session is starting that maybe during the next couple of meetings that someone could give an update on what is moving through legislation.

Meeting adjourned at 3:08 pm
