Beneficiary Designation Instructions & Information

This form is to be used only by active or vested members of the Oklahoma Public Employees Retirement System (OPERS) to designate or change beneficiaries to receive one of the following death benefits:

1. Spouse Benefits

The first type of benefit is a survivor benefit and is available only to your legal surviving spouse, if you are vested, eligible to vest, or eligible to retire at the time of your death. Your surviving spouse will be offered Option B survivor benefits. However, no benefits shall be payable before the date the deceased member would have met the requirements for a normal or early retirement. If your spouse elects to receive the survivor benefit, there will be no benefit payments to your other beneficiaries.

2. Accumulated Employee Contributions

The second type of benefit is a one-time lump-sum payment equal to your accumulated contributions. If no surviving spouse benefit is to be paid at your death, your accumulated contributions will be distributed among your primary beneficiaries. If one or more of your primary beneficiaries are deceased, accumulated contributions will be distributed among your remaining living primary beneficiaries. Contingent beneficiaries will receive accumulated contributions only if there are no living primary beneficiaries.

Whom Can You Name as Beneficiary?

You can choose:

- A living person.
- An institution.
- Your estate.
- A trust.
- Any combination of these options.

Primary Versus Contingent Beneficiaries

- Primary beneficiaries are “first in line” to receive benefits in the event of your death. All primary beneficiaries share equally, unless otherwise noted on the form.
- Contingent beneficiaries only receive benefits in the event all primary beneficiaries die before or simultaneously with the member. All contingent beneficiaries share equally, unless otherwise noted on the form.

Information to Provide

Each time you complete a new form, it is important you provide the full legal name, address, relationship, date of birth and Social Security number of each individual person (or taxpayer identification number (TIN) of each institution) you designate. You must also designate whether the beneficiary is primary or contingent. Each piece of information helps ensure the named beneficiary is located and the proper person or institution receives the correct distribution.

Designating an Institution as Beneficiary

To name an institution (charity, church, etc.), please provide all of the information requested in Parts 2 and/or 3.

Designating a Trust as Beneficiary

To designate a trust as beneficiary, you should provide the name of the trust and the date the trust was created in the space provided for naming a beneficiary. Please also provide a copy of the Memorandum of Trust with your beneficiary designation.

Designating a Minor as Beneficiary

A minor can be named as your beneficiary. However, it is often very difficult and sometimes costly for the minor beneficiary to receive payment, especially if the amount to be paid exceeds \$10,000. Before you designate a minor as beneficiary, contact OPERS for more details.

Each time you complete a beneficiary form, it cancels all prior beneficiary designations with OPERS for these death benefits. Your designations do not become effective until this form is signed and received in the OPERS office. This beneficiary form will not update any life insurance or SoonerSave beneficiaries you may have.

Naming Additional Beneficiaries

If you need to name more beneficiaries than space allows on this form, use an *Additional Beneficiary Designation* page. This page must be received with your completed *Beneficiary Designation* form to be valid. You can download an additional page at www.opers.ok.gov/forms or contact OPERS to receive one by mail.

For more information, you may reach OPERS at the contact information below. When you have completed and signed this form, please return the original form to OPERS at the address below.
