

Notice

Electronic bid package is available for the December 20th , 2001 Letting. Instructions for using the electronic bidding system (EBS) are available from the Office Engineer's office. The printed bid sheets that are created from the EBS system must be placed in front of the bid item pages in the bidding proposal and will be turned in with the bid documents along with the proper disk. They should be placed and attached there without detaching the original proposal. (The paper copy of the bid items is the official bid document.) Plans and proposals should be ready for sale on November 26th, 2001.

The direct line to the ODOT order desk is 522-3474. Please use this number when ordering plans and proposals. If ordering plans only please call the Reproduction Branch at 521-2586.

There will be a Pre-Bid Conference at 10:00 a.m. on December 7th, 2001 concerning both the December Bid Opening at the Oklahoma Department of Transportation (ODOT) Commission Room. Please review plans and proposals and send your comments and questions to the Office Engineer Division (attn: Tim Borg or Jack Stewart as early as possible at Fax: (405) 522-0972 or phone: (405) 521-2625. This will help both ODOT and Contractor.

All proposals not mailed must be turned into the reproduction office off the main lobby of the ODOT building up until 30 minutes prior to the Opening. From 30 minutes prior to the Bid Opening until the time of the Bid Opening, bid proposals must be turned in directly to the ODOT Commission Room located on the east side of the lobby.

Please write the call order number of the jobs you are bidding electronically on the disk label of the original disk. Be sure to save your work and any revisions you receive to your original disk and submit that disk with your bid.

Website address

Use all lower case letters

Please remember that you must use the electronic bidding system when bidding projects in the highway Letting. Failure to use the EBS system could mean possible rejection of bids.

Both morning (A.M.) and afternoon (P.M.) Bid Opening can be heard from the AGC website which is:
<http://www.okagchwy.com/> (Use all lower case letters)

Reminder
The low bidder must submit to the Office Engineer Division written confirmation from the DBE that it is participating in the contract as provided in the prime contractor's commitment. This may be submitted with the bid or not later than the Department's close of business on the Wednesday following the bid opening. Otherwise the bid shall be

considered nonresponsive and shall be rejected by the Department.

Please be aware that not all bugs have been worked out of the TRANS*PORT system. Therefore some of the descriptions are printed on the page following the project.

The Oklahoma Department of Transportation will conduct a Constructibility Review meeting to discuss the proposed roadway improvement of I-44 in Tulsa County. The improvement consists of widening I-44 from a four-lane to a six-lane facility from just east of the MKT railroad to just west of 31st street in Tulsa.

Tulsa County

Project Number: IM-NHIY-0044-2(325)229

State Job Number: 06374(13)

Description: I-44 from just east of the MKT railroad to just west of 31st street in Tulsa

The Constructibility Review meeting will be at 11:00 a.m. in the Oklahoma Department of Transportation Commission Room or immediately following the December 7, 2001 Pre-bid meeting.

We are requesting contractors interested in bidding this project participate in the meeting.

Items of discussion will include: time and costs saving opportunities, construction sequencing and traffic control.

The Office Engineer will have preliminary plans available at no charge for contractors use through December 6, 2001.
