Notice

Electronic bid packages are available for the [November 16, 2006](#) AM Letting. Instructions for using the electronic bidding system (EBS) are available from the Office Engineer's office. The printed bid sheets created from the EBS system must be placed in front of the bid item pages in the bidding proposal and will be turned in with the bid documents along with the proper disk. They should be placed and attached there without detaching the original proposal. (The paper copy of the bid items is the official bid document.) Please remember that you must use the electronic bidding system (EBS) when bidding projects in the highway Letting. Failure to use the EBS system could mean possible rejection of bids. Plans and proposals should be ready for sale on [October 26, 2006](#).

If ordering plans only please call the Print Services Branch at 521-2586.

A Pre-Bid Conference will be held at [10:00 a.m.](#) on [November 3, 2006](#) concerning this [November](#) Bid Opening at the Oklahoma Department of Transportation (ODOT) Commission Room. This will help both ODOT and Contractor.

All proposals not mailed must be turned into the Print Services Branch off the main lobby of the ODOT building until 30 minutes before the Opening. From 30 minutes before the Bid Opening until the time of the Bid Opening, bid proposals must be turned in directly to the ODOT Commission Room on the east side of the lobby.

Please write the call order number of the jobs you are bidding electronically on the disk label of the original disk. Be sure to save your work and any revisions you receive to your original disk and submit that disk with your bid.
