They should be placed and attached there without detaching the original proposal. (The paper copy of the bid items is the official bid document.) Please remember that you must use the electronic bidding system (EBS) when bidding projects in the highway Letting. Failure to use the EBS system could mean possible rejection of bids. Plans and proposals should be ready for sale on [February 7, 2007](#).

If ordering plans only please call the Print Services Branch at 521-2586.

A Pre-Bid Conference will not be held concerning this [March](#) Bid Opening. Please review plans and proposals and send your comments and questions to the Office Engineer Division (attn: Masoud Pajoh) by [February 7, 2007](#) at Fax: (405) 522-0972 or phone: (405) 521-2625. From 30 minutes before the Bid Opening until the time of the Bid Opening, bid proposals must be turned in directly to the ODOT Commission Room on the east side of the lobby.

Please write the call order number of the jobs you are bidding electronically on the disk label of the original disk. Be sure to save your work and any revisions you receive to your original disk and submit that disk with your bid.
