The printed bid sheets created from the EBS system must be placed in front of the bid item pages in the bidding proposal and will be turned in with the bid documents along with the proper disk. They should be placed and attached there without detaching the original proposal. (The paper copy of the bid items is the official bid document.) Please remember that you must use the electronic bidding system (EBS) when bidding projects in the highway Letting. Failure to use the EBS system could mean possible rejection of bids. Plans and proposals should be ready for sale on [April 5, 2007](#).

If ordering plans only please call the Print Services Branch at 521-2586.

See the mandatory pre-bid announcement below. Please review plans and proposals and send your comments and questions to the Office Engineer Division (attn: Masoud Pajoh) by April 13, 2007 at Fax: (405) 522-0972 or phone: (405) 521-2625. This will help both ODOT and Contractor.
