Bid Express®

SECURE INTERNET BIDDING

Small Business Network Training for Primes

Is your company aware, it is projected, by the January 2011 Letting, the ODOT will require Prime Contractors to submit bids electronically for construction projects on the monthly letting schedule.

Bid Express has been one software which many of our Prime Contractors have utilized. But is your company aware of the Small Business Network (SBN) component of Bid Express? The SBN will allow Prime Contractors to post solicitations for quotes, and allow Certified Disadvantaged Business Enterprise companies to search for bid opportunities. Electronic searches and solicitations will also allow DBEs valuable time to comprise and submit a competitive bid.

Within the Small Business Network allows Prime Contractors to:

- Access a business center in Bid Express that can help meet Disadvantaged Business Enterprise (DBE) goals.
- Post an unlimited number of solicitations for items to quote.
- Create and post an electronic notice that lists the items to be quoted, and send an alert e-mail about the post.
- View all outstanding sub-quote requests at a glance.
- Easily locate certified small and disadvantaged businesses.
- Advertise to small and disadvantaged businesses more efficiently and cost effectively.
- Take a step to demonstrate good faith effort in reaching disadvantaged businesses.
- Quickly obtain and analyze bid tab data from past bids, including the high, average and low prices of items. This data can be viewed by item, by proposal or by contractor to give a clear picture of recent bids for that item.

Two training sessions will be available for Prime Contractors to participate in and learn how to navigate through the Small Business Network site. A Bid Express Representative will be available on the following locations, dates and times.

OKLAHOMA CITY AREA

December 6, 2010 (1:00 pm—3:00 pm)

Rose State College
Professional Education and Training Center
1720 Hudiburg Drive
Midwest City, OK 73170

TULSA AREA

December 7, 2010 (8:00 am—11:00 am)

Tulsa Technology Center
Training Center—Lemley Campus
3638 S. Memorial Drive
Tulsa, OK 74147

Please RSVP Martha Garcia, DBE Supportive Services Coordinator
at 405.521.6411 or toll free 1.800.788.4539 by November 19, 2010

Reach more subcontractors
and suppliers and get help
meeting your DBE goals.

Start using the Small Business Network

from the Bid Express® service

The Small Business Network is a part of the Bid Express service that was created to ensure that prime bidders have a centralized on-line location to find subs - including small and disadvantaged business enterprises (DBEs). It is available for you to use as part of your Basic Service subscription. This resource center is here to help make bidding easier by expanding your reach.

Within the Small Business Network, you can:

- Create a sub-quote to post or send to subcontractors or suppliers that lists the items in a proposal that you want quoted
- Post an unlimited number of sub-quotes for items you want quoted, and optionally mark them as a DBE-preferred request
- Add attachments to sub-quotes
- View or receive unsolicited sub-quotes that subcontractors have posted or sent, complete with terms, conditions and pricing
- Easily locate pre-qualified and certified small and disadvantaged businesses
- Advertise to small and disadvantaged businesses more efficiently and cost effectively
- Document your efforts by producing a "Good Faith" form showing outreach to subs/DBEs (accepted at the discretion of your agency)

If you are not yet subscribing to the Bid Express service, go to www.bidx.com and select "Order Bid Express." The Small Business Network is a part of the Bid Express Basic Service. Begin using this service today to enhance your bidding opportunities and help meet your DBE goals.

Notice

Electronic bid packages are available for the [November 18, 2010](#) AM Letting. Instructions for using the electronic bidding system (EBS) are available from the Office Engineer's office. The printed bid sheets created from the EBS system must be placed in front of the bid item pages in the bidding proposal and will be turned in with the bid documents along with the proper disk. They should be placed and attached there without detaching the original proposal. (The paper copy of the bid items is the official bid document.) Please remember that you must use the electronic bidding system (EBS) when bidding projects in the highway Letting. Failure to use the EBS system could mean possible rejection of bids. Plans and proposals should be ready for sale on [October 28, 2010](#).

If ordering plans only please call the Print Services Branch at 521-2586.

A Pre-Bid Conference will be held at [10:00 a.m.](#) on [November 5, 2010](#), concerning this [November 18th](#) Bid Opening at the Oklahoma Department of Transportation (ODOT) Commission Room. Please review plans and proposals and send your comments and questions to the Office Engineer Division (attn: Masoud Pajoh) as early as possible at Fax: (405) 522-0972 or phone: (405) 521-2625. Please include JP, County, Letting date and Call Order (if known) in all your correspondence with Office Engineer. This will help both ODOT and Contractor.

All proposals not mailed must be turned into the Print Services Branch off the main lobby of the ODOT building until 30 minutes before the Opening. From 30 minutes prior to the Bid Opening until the time of the Bid Opening, bid proposals must be turned in directly to the ODOT Commission Room located on the east side of the lobby.

Please write the call order number of the jobs you are bidding electronically on the disk label of the original disk. Be sure to save your work and any revisions you receive to your original disk and submit that disk with your bid.

Any firm bidding a project as a joint venture must complete the "Request for Joint Venture" form which is posted on the ODOT website.

Long Form and Short Form Notices, Order Forms, Bid Tabs and Awards, can be accessed on ODOT's Web site

<http://www.okladot.state.ok.us/contracts/index.htm>

Questions and concerns regarding projects on any Letting should be faxed to:

Office Engineer Division at 405-522-0972

or emailed to:

mpajoh@odot.org with copy to bschmitt@odot.org

Please include words **"Pre-bid question(s) and the Call Order and the Letting date of the project in question"** in the subject line.

Plans for the project on this letting can be found at:
<http://www.okladot.state.ok.us/contracts/a2009/plans.htm>

CERTIFIED PAYROLL – FEDERAL RULE CHANGE

The U.S. Department of Labor, Wage and Hour Division, has revised regulations, pursuant to the Davis-Bacon and Related Acts and the Copeland Anti-Kickback Act to better protect the personal privacy of laborers and mechanics employed on covered construction projects.

The final rule, 29 CFR Parts 3 and 5, has an effective date of January 18, 2009. The revisions shall be applicable to federally assisted construction contracts entered into pursuant to invitations for bids issued or negotiations concluded on or after January 18, 2009.

The rule change states, in part, “ The payrolls submitted shall set out accurately and completely all of the information required to be maintained under 29 CFR Part 5.5 (a)(3)(i), except that full social security numbers and home addresses shall not be included on weekly transmittals. Instead, the payrolls shall only need to include an individual identifying number for each employee.”

The rule suggests that the last four digits of the employee’s social security number be used as the employee’s identification number. There is no prescribed method required by U.S. DOL.

The prime contractor is responsible for the submission of copies of payrolls by all subcontractors. Contractors and subcontractors shall maintain the full social security number and current address of each covered worker, and shall provide them upon request of the federal and/or state agency responsible for the contract for purposes of an investigation or audit of compliance with prevailing wage requirements. It is not a violation of the rule for a prime contractor to require a subcontractor provide addresses and social security numbers to the prime contractor for its own records, without weekly submission of such information to the sponsor government agency.

If the contractors utilize an electronic payroll system, a change from social security number to a personal identification number may require programming changes. If it is more convenient for the contractors, FHWA agrees that they may go ahead and make the necessary changes on all existing contracts, rather than only on those entered into after the effective date.

The provisions of the contracts will be revised to reflect this rule change as soon as practical. Should you have questions, you may contact the Regulatory Services Office at (405) 521-6046.

Until further notice all projects which include a pay item for Contractors Quality Control (Item 643) will require the bidder to bid a minimum amount for that item.

This minimum will be specified at the end of the Special Provision 648-1QA(a)99, Payment for Contractor's Quality Control. You may increase this amount as necessary to cover the estimated Quality Control expenses.

Failure to include at least this amount will be considered grounds for rejection of Contractor's bid as nonresponsive.

Reminder

The low bidder must submit to the Office Engineer Division written confirmation from the DBE that it is participating in the contract as provided in the prime contractor's commitment. This may be submitted with the bid or not later than the Department's close of business on the Wednesday following the bid opening. Otherwise the bid shall be considered nonresponsive and shall be rejected by the Department. There is new cover sheet that is required with these DBE confirmations, it is located at this web site below. **Please ensure that the DBE commitment provided in the proposal matches the written confirmation.**

Only DBE firms listed for the Letting month on the following web site are eligible for DBE credit:

<http://www.okladot.state.ok.us/regserv/dbeinfo>

Reminder

*Please be sure that bid bonds are stapled to the **back** of the proposal as instructed on the cover sheet of all proposals.*

Do not disassemble the bidding proposal in any way.

Note:

Only written, Emailed, Faxed and in-person orders will be accepted.

The **Order Form** included in this Short Form Notice may be used to order plans and proposals for this letting.

Please check off the proposal(s) in which you are interested and fax to:

405-522-0972 attention Order Desk

Or email your requests to:

mhenry@odot.org

CONSTRUCTABILITY REVIEW

A Constructability Review will be held for the following projects:

**IM-TIGR(497)SS
J2-6604(008)
J/P No. 26604(04)(08)
Tulsa County**

Description:

Reconstruction of the I-244 Bridges over the Arkansas River.

Scope of Work:

Reconstruct both westbound and eastbound bridges over the Arkansas River. Includes grading, drainage, and P.C. concrete pavement for minimal roadway approaches in approximately the same location as the existing crossing.

Estimate:

\$116 million

Proposed Letting:

March 17, 2011

90% plans will be available from Office Engineer Division on November 12, 2010. The Constructability Review will commence at 10:30 AM on November 19, 2010 in the ODOT Commission Room.

Oklahoma Department of Transportation
Notice to Contractors — November 18, 2010 Letting, AM

Sealed proposals sent by registered mail will be received through the ODOT Print Services Branch until 30 minutes prior to the scheduled Bid Opening. From 30 minutes prior to the Bid Opening until the time of the Bid Opening, bid proposals must be turned in directly to the ODOT Commission Room located on the east side of the lobby. The scheduled Bid Opening is 10:30 A.M. November 18, 2010, for the work listed below.

No proposal for construction or maintenance work of the Department will be issued to any contractor after 10:30 A.M. on the working day preceding opening of bids for any contract.

Each separate proposal shall be accompanied by a certified or cashier's check or bid bond equal to 5% of the bid made payable to the State of Oklahoma, Department of Transportation, as a proposal guaranty. Proposal checks will be held or returned by the Department as per section 103.04 of the State Standard Specifications.

The minimum wage to be paid laborers and mechanics employed on this project shall be included in the proposal.

Proposals must be prepared as directed by the State Standard Specifications.

Plans, forms of proposals, contracts and specifications may be examined at the division headquarters in the division the work is to be performed or at the Oklahoma Department of Transportation Office Engineer's Division in Oklahoma City, Oklahoma.

This work will be done under the Oklahoma Department of Transportation Commission's applicable specifications for highway construction as depicted on the lower left corner of the plan's title sheet.

Plans and proposal forms may be ordered from the Office Engineer Division, Oklahoma Department of Transportation Building, 200 N. E. 21st Street, Oklahoma City, Oklahoma 73105. Cost of bidding documents are \$50.00 + tax for each bidding proposal. State Standard Specifications may be purchased for \$55.00 + tax. (Oklahoma tax is 8.375%). Make checks payable to Oklahoma Department of Transportation. No refunds will be made for bidding documents or specification books purchased. Upon award of contract to a successful bidder, the contract will be completely and correctly executed by the contractor and returned to the Department within ten (10) working days from the date of award. The Department will have fourteen (14) working days from the date of award to complete its execution of the contract. The Oklahoma Department of Transportation hereby notifies all bidders that it will affirmatively ensure that in any contract entered into pursuant to this advertisement, disadvantaged business enterprises will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, sex, religion, national origin, or disability in consideration for an award.

Bidders are hereby notified that all bids are likely to be rejected if the lowest responsive bid received exceeds the engineer's estimate by more than seven (7) percent. In the event all bids are rejected for this reason, this project may be deferred for re-advertising for bids until a more competitive situation exists.
