RE: Special Instructions for the ODOT April 16, 2020 Bid Opening

Due to COVID-19 precautions, ODOT will not be providing prospective bidders with physical copies of bidding documents for projects on the upcoming April 16, 2020 bid opening. This applies to bidding proposals, construction plans, plan revisions, and any associated documents. All information and bidding documents should be obtained from the ODOT website: <https://www.odot.org/contracts/index.htm>

Please continue to use the ODOT order form to submit requests for proposals and plans. Although we are not distributing any documents at this time, using the order form will help ensure that your company is recognized as a prospective bidder at the time of bidding. The cost to be recognized as a prospective bidder is \$50 per project as specified in the bidding documents. To better serve you, please email the completed form to: orderdesk@odot.org. We are not able to access faxed orders or accept cash or checks at this time.

Also, at the Governor's request, ODOT will not be hosting any public meetings until further notice. Therefore, there will not be a pre-bid meeting on April 3rd for the April 16, 2020 bid opening. Please continue to submit your questions through the ODOT pre-bid email address. Questions and responses will be posted to the "Pre-bid Questions and Answers" section of the ODOT website as we receive them. It is recommended that you visit this website regularly to stay informed of the latest information.

ODOT is well aware of the time sensitive nature of the bidding process. All revision and bidding deadlines will be observed and enforced as specified in the bid opening advertisement and associated bidding documents. We will make every effort to ensure that all plan holders receive bid opening updates and notifications in a timely manner.

We apologize for any inconvenience, but we feel that this is a necessary precaution to ensure the safety and health of our employees, and you our customers. If you have questions or concerns regarding the April 16, 2020 bid opening please contact the ODOT Office Engineer Division by phone (405-521-2625) or email (ODOT-Prebid.Question@odot.org).
