Bids must be prepared as directed by the State Standard Specifications. Unless otherwise specified, bids for all projects must be submitted over the internet to Bid Express (<http://www.bidx.com>) using AASHTOware Project Bids (<https://bids.cloverleaf.net>). Instructions for using Bid Express, Project Bids, and the electronic bidding process are available from the Office Engineer Division.

If a bidder is unable to submit an electronic bid due to conditions out of their control, such as, a disabled network server, power outage, or other unforeseen emergency, the bidder must request and receive approval to submit a paper bid. This written approval should include the justification for the request and be taken to the Office Engineer for signature prior to the bid opening. Once signed, include the approval form with the submitted bid. Ensure the sealed bid is delivered to Office Engineer Division prior to the scheduled bid opening.

Any firm bidding a project as a joint venture must complete the "Request for Joint Venture" form, which is posted on the ODOT website, prior to the bid opening.

For projects that require a DBE commitment, only DBE firms listed for the respective bid opening month are eligible for DBE credit. Visit <https://okdot.gob2g.com> for a list of eligible DBEs.

Unless otherwise specified in the proposal, all bids must be submitted with a proposal guaranty equal to 5% of the bid total. Bids submitted electronically must have their bid bonds verified electronically through the electronic bidding system. Written bids must have their bond stapled to the back of the proposal. In lieu of a bid bond, a certified/cashier's check made payable to the Oklahoma Department of Transportation may be submitted as a proposal guaranty. Checks must be delivered to Office Engineer Division prior to the bid opening. Proposal checks will be held or returned by the Department as per Subsection 103.04 of the State Standard Specifications.
