

Oklahoma Department of Transportation

Notice to Contractors - August 18, 2022 10:30 A.M. Bid Opening

Plans and proposals for this bid opening will be ready for sale on July 28, 2022. The order form included in this notice may be used to order plans and proposals. Please indicate the proposals in which you are interested and email your requests to: orderdesk@odot.org. If ordering plans only, please contact the Print Services Branch at 521-2586. No bidding proposals will be issued to any Contractor after August 17, 2022 10:30 A.M.. The cost for each bidding proposal is \$50.00 + tax. State Standard Specifications may be purchased by contacting Office Services Division. No refunds will be made for bidding documents or specification books purchased.

Sample proposals, preliminary plans, long form and short form notices, order forms, bid tabs and awards, can be accessed on ODOT's Web site: <http://www.okladot.state.ok.us/contracts/index.htm>

Bids must be prepared as directed by the State Standard Specifications. Unless otherwise specified, bids for all projects must be submitted over the internet to Bid Express (<http://www.bidx.com>) using AASHTOware Project Bids (<https://bids.cloverleaf.net>). Instructions for using Bid Express, Project Bids, and the electronic bidding process are available from the Office Engineer Division.

If a bidder is unable to submit an electronic bid due to conditions out of their control, such as, a disabled network server, power outage, or other unforeseen emergency, the bidder must request and receive approval to submit a paper bid. This written approval should include the justification for the request and be taken to the Office Engineer for signature prior to the bid opening. Once signed, include the approval form with the submitted bid. Ensure the sealed bid is delivered to Office Engineer Division prior to the scheduled bid opening.

Any firm bidding a project as a joint venture must complete the "Request for Joint Venture" form, which is posted on the ODOT website, prior to the bid opening.

For projects that require a DBE commitment, only DBE firms listed for the respective bid opening month are eligible for DBE credit. Visit <https://okdot.gob2g.com> for a list of eligible DBEs.

Unless otherwise specified in the proposal, all bids must be submitted with a proposal guaranty equal to 5% of the bid total. Bids submitted electronically must have their bid bonds verified electronically through the electronic bidding system. Written bids must have their bond stapled to the back of the proposal. In lieu of a bid bond, a certified/cashier's check made payable to the Oklahoma Department of Transportation may be submitted as a proposal guaranty. Checks must be delivered to Office Engineer Division prior to the bid opening. Proposal checks will be held or returned by the Department as per Subsection 103.04 of the State Standard Specifications.

Submit any questions or concerns to the Office Engineer Division via:

- Email: ODOT-Prebid.Question@odot.org
- Phone: (405) 521 - 2625

Please include the words " Pre-bid question(s)" along with the call order and the bid opening date of the project in question in the subject line of the correspondence.

The Oklahoma Department of Transportation (ODOT) ensures that no person or groups of persons shall, on the grounds of race, color, sex, religion, national origin, age, disability, retaliation or genetic information, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any and all programs, services, or activities administered by ODOT, its recipients, sub-recipients, and contractors. To request an accommodation please contact the ADA Coordinator at 405-521-4140 or the Oklahoma Relay Service at 1-800-722-0353. If you have any ADA or Title VI questions email ODOT-ada-titlevi@odot.org.
