Subject: **Modification to the FFY 2015 State Planning & Research Program**

Dear Ms. Romero,

With regards to Part I of the Federal Fiscal Year 2015 (FFY2015) State Planning & Research (SP&R) Work Program, please be advised that ODOT intends to shift One Hundred Thousand (\$100,000.00) Dollars from SP&R item number 1306, Weigh-in-Motion Program to be disbursed as follows: Ten Thousand (\$10,000.00) Dollars to item number 1301, Coverage Count Program, Seventy Five Thousand (\$75,000) Dollars to item number 1302, Permanent Traffic Count Program, and Fifteen Thousand (\$15,000.00) Dollars to item number 1310, Skid Studies Program.

ODOT also intends to shift Forty Thousand (\$40,000) Dollars from Item number 1904, Air Quality Planning, to item number 1710, Regional Transportation Planning.

These changes will not affect the overall FFY2015 SP&R budget, and will cover unforeseen costs in the respective item numbers where funds are being shifted.

If you have any questions, or require further information, please feel free to contact me.

Sincerely,
