

PERMISSION FOR USE OF OFFICIAL STATE MAPS OF OKLAHOMA

I, the undersigned, agree to use the official state map document(s) for the general purposes of non-commercial mapping related reproductions or publications. These maps are supplied for the agreed upon internal use by the party involved or as informational guides for other publications, in whole or part, and may not be copyrighted. They remain the property of the State of Oklahoma. When used directly in publications for distribution a caption expressing "Courtesy of the Oklahoma Department of Transportation" shall be included. The original computer files provided are for the sole one time use of the person or agency receiving them. These files may not be copied or distributed in any form outside of your agency. The Oklahoma Department of Transportation (ODOT) shall be notified and permission granted prior to additional or any future use of these materials.

No printing for profit shall be made from direct sale of these files as maps. General expenses incurred by ODOT may be charged for time and materials used to replicate maps in digital form.
