

Sampling Check List Select Form

If Your Contract Is Not Available, Verify That Materials Have Been Generated In SiteManager.

If Materials Have Been Generated and Your Contract is Still Not Available, Navigate to:
SiteManager Main Panel / Contractor Payments (+) / Reference Tables (CP+) / Contract Discrepancy Options
and Verify that Insufficient Samples is checked (ON). If it is not checked and you are not authorized to
check it on, Contact Construction Div.

NOTE: BEFORE USING THIS CUSTOM REPORT FACILITY ALWAYS FIRST:

Navigate to SiteManager Main Panel / Materials Management (+) / Process List.....
and run Process ID RMMSMPCL - Sampling Checklist for Your Contract. That Process updates report data.
