

Acceptance Form for Pre-Delivery Inspected Materials on Non-SiteManager Projects

Revised: 2/21/2006 - Page 1 of 1

Identify the Project and Material:

Project: _____ Residency: _____ Date:

*Product Category: _____ *Material: _____

*Product Name: _____ *Manufacturer: _____

Intended Use: _____

*List Product Category, Material, Product Name and Manufacturer in the same manner as they appear on the Approved Products List.

Check All That Apply:

Yes No

- 1. Inspected and no apparent significant handling damage was observed
- 2. Apparent significant damage observed during inspection
- 3. Material is listed on Approved Product List (Unexpired & F.A. Method 5002)
- 4. Proper inspection markings were observed
- 5. Items not properly inspection marked or inspection marks were missing
- 6. 105.03 inspection marking was observed

The "Yes" must be checked for 1.,3., and 4. above. If "No" is checked for 1.,3. or 4. , check "Fail" for Final Test Results. Material must meet those requirements to be accepted using this form.

If "Yes" is checked for 2., explain problem in Remarks below, contact Materials Division Lab and record that fact in Remarks below.

If "Yes" is checked for 5. or 6., explain details such as represented quantities in Remarks below . If supporting documentation is available, attach it to this document.

Remarks: None

Indicate Final Test Results:

- Pass
- Fail
