

Acceptance Form for Iron Castings on Non-SiteManager Projects

Revised: 2/22/2006 - Page 1 of 1

Identify the Project and Material:

Project: _____ Residency: _____ Date:

Product Category: Iron Castings (725.04) *Material: _____

*Product Name: _____ *Manufacturer: _____

Intended Use: _____

*List Material, Product Name and Manufacturer in the same manner as they appear on the Approved Products List.

Check All That Apply:

Yes No

- 1. Inspected and no apparent significant handling damage was observed
- 2. Apparent significant damage observed during inspection
- 3. Material is listed on Approved Product List (Unexpired & F.A. Method 5004)
- 4. Proper foundry markings were observed
- 5. Improper foundry marks were observed or foundry marks were missing

The "Yes" must be checked for 1.,3., and 4. above. If "No" is checked for 1.,3. or 4. , check "Fail" for Final Test Results. Material must meet those requirements to be accepted using this form.

If "Yes" is checked for 2., explain problem in Remarks below, contact Materials Division Lab and record that fact in Remarks below.

If "Yes" is checked for 5., explain details such as represented quantities in Remarks below and check "Fail" for Final Test Results.

Remarks: None

Indicate Final Test Results:

- Pass
- Fail
