Re: Contract ID:

Primary Project No.:

Primary JP No.: Primary County:

Dear Sir:

Asphaltic concrete to be furnished for the referenced project will be as noted on:

Mix Design ID:

The undersigned acting for , the Contractor for the referenced project, offers this mix design for use on the referenced project. The Contractor hereby releases and discharges the Department from any and all manner of claims, demands or damages where such may be actual or consequential which may accrue to the Contractor by reason of the use or attempted use of this mix design for the formulation of asphaltic concrete for the application to the road surfaces on this project. I understand that any substitution or attempted substitution for any component of the offered mix design whether as to quality, quantity or source will void any acceptance of the offered mix design and may necessitate, solely at the discretion of the Department, removal and replacement of any asphaltic concrete formulated using the voided design. If the Department determines that a mix design is unacceptable, the removal and replacement of any asphaltic concrete formulated using that design shall be solely at the Contractor's expense. I further understand and agree that asphaltic concrete produced using this mix design will be subject to all plant startup and testing procedures as may be specified in Section 400 of the Standard Specifications for Highway Construction as may be supplemented and made applicable to this project, before any asphaltic concrete made in accordance with this design may be applied for mainline construction or accepted for payment at the Contract unit price.

Respectfully submitted,
