

NOTICE OF PUBLIC MEETING

All interested parties are hereby given notice that Oklahoma County District 1 in a joint venture with the Oklahoma Transportation Authority (OTA), the City of Oklahoma City and in cooperation with the Oklahoma Department of Transportation (ODOT), proposes to construct an interchange on Interstate 44 (Turner Turnpike) at Hogback Road in eastern Oklahoma County near the communities of Jones and Luther. The consulting firm, Triad Design Group, employed by the above mentioned parties to complete the Federal environmental clearance of the proposed improvements, has scheduled a public meeting to discuss the project.

It is within the scope of the project to construct four (4) ramps to facilitate full directional access to the Turner Turnpike from Hogback Road, approximately 13 miles east of Interstate 35.

The public meeting will be held at 7:00 pm, Thursday August 19, 2004 at the Luther Community Center, located at 18200 North Hogback Road in Luther, Oklahoma. Representatives from the County, OTA, City of Oklahoma City, ODOT and Triad Design Group will be in attendance. Concerned citizens will have the opportunity to comment on the potential social, economic, and environmental impacts associated with the project.

Questions prior to the meeting may be directed to Mr. Randall W. Maxey at (405) 752-2266 extension 223. Written statements and other exhibits regarding the location and major design features of the proposed project may be submitted through August 30, 2004 to Mr. Maxey at Triad Design Group, 14313 North May Avenue, Oklahoma City, OK 73134.

The Oklahoma Department of Transportation strives to accommodate the needs of all citizens, including those who may be disabled. If you would like to attend this meeting but find it difficult because of a disability, architectural barrier, or another special need, please contact Mr. Maxey at the above number. We will make a sincere effort to resolve the problem. If you require a sign-language interpreter at the meeting, please notify Mr. Maxey in writing at Triad Design Group at the above address no later than August 12, 2004.
