

NOTICE OF PUBLIC MEETING

All interested persons are hereby given notice that the Oklahoma Department of Transportation (ODOT) is studying improvements on U.S. 60 in Craig County. The study corridor begins at 7th Street and proceeds west to Vann Street. A public meeting is scheduled for 6:00 p.m., Tuesday, May 23, 2006 at Cowboy Junction Restaurant and Church located at 27502 S. 4380 Road, Vinita, Oklahoma 74301.

In the study area, US-60 consists of four-lane roadway which narrows to a two-lane roadway with shoulders. The project also includes replacement of the bridge over Bull Creek. Improvements are also planned to the railroad crossing and in the area of downtown. The project is in the early stages of development and any comments relative to the corridor or items previously listed would be appreciated. The purpose of this meeting is to request information from the public to further assist ODOT in the identification of potential social, economic, and environmental impacts that may result from the project.

ODOT strives to accommodate the needs of all residents, including those who may be disabled. If you would like to attend this meeting but find it difficult because of a disability, architectural barrier, or another special need, please contact Mr. Craig Moody at (405) 522-1465.

Questions before the meeting may be directed to Kevin Larios at (405) 522-4420 by telephone or by writing Kevin Larios at Oklahoma Department of Transportation, 200 Northeast 21st Street, Oklahoma City, Oklahoma 73105.
