

WELCOME

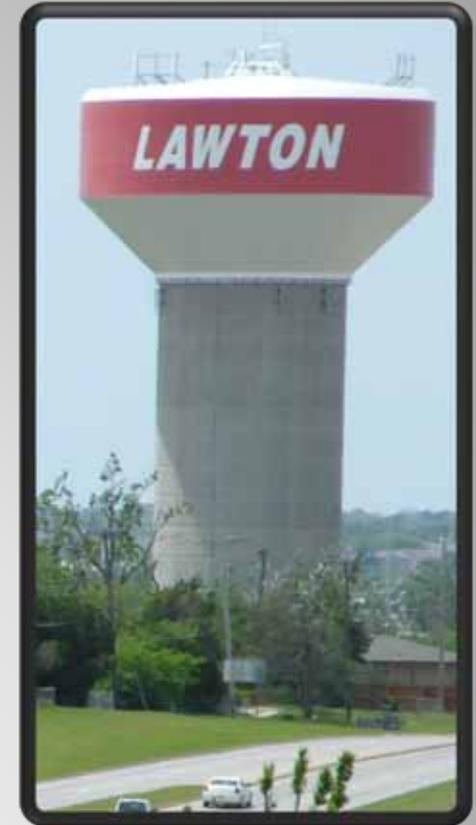

Oklahoma Department of Transportation
Public Involvement Meeting – May 13th, 2010
Prof. Dev. Center of the Lawton Public Schools
U.S. 62 at Ft. Sill Blvd. & Sheridan Rd.

The purpose of this Public Information Meeting is to inform the public about the project to improve the turning movements and safety of U.S. 62 at Ft. Sill Blvd. & Sheridan Rd.

Purpose of this meeting

<http://www.odot.org/meetings/other.php>

PROJECT INFORMATION

Information about the project at hand

<http://www.odot.org/meetings/other.php>

- High ADT Traffic Volumes.
- Failing level of service (LOS) at the ramp intersections.
- High accident occurrence, with a total of 124 accidents within both interchange areas.
- Projected Traffic Volumes expected to increase significantly by 2035.

Existing Conditions

- Remove existing left-hand turning lanes from U.S. 62 on-ramps.
- Provide left-hand turning lanes from Ft. Sill Blvd. and Sheridan Rd. onto U.S. 62 on-ramps at re-designed signalized intersections to be constructed on both sides of U.S. 62.
- Provide pedestrian/bike path along the East side of Ft. Sill Blvd. which will ultimately connect with the pedestrian/bike paths to be constructed by the City of Lawton and Ft. Sill.

Purpose of the project

<http://www.odot.org/meetings/other.php>

- Est. Total Project Cost = \$1.4 million.
- Project scheduled to let in Fall of 2010.
- Anticipated construction time is 70-90 days per interchange.
- Construct under traffic with minimal lane closures.
- Work restricted to one interchange at a time.
- Contract will provide incentive for early completion and disincentive for lane closures.

Information about the project

Current Turning Movement

(Ft. Sill Blvd.)

<http://www.odot.org/meetings/other.php>

Intersection at Ft. Sill Blvd.

Here is an example of the proposed improvements to the intersection at U.S. 62 and Ft. Sill Blvd. which include the removal of the left hand turning lanes from the U.S. 62 on-ramps, installation of a Curbed Median and left hand turn lanes on the crossing feature as well as turn signals at the on-ramp intersections, and a pedestrian/bike path along the East side of Ft. Sill Blvd.

PEDESTRIAN/BIKE PATH LOCATION

Location of new pedestrian/bike path will be constructed along Ft. Sill Blvd., crossing over U.S. 62. The new path is currently proposed to be 10' wide and will tie in with the City of Lawton's proposed path to the South and Ft. Sill's path to the North.

QUESTIONS?
