U.S. 259 REALIGNMENT PROJECT
Oklahoma Department of Transportation
Public Involvement Meeting
Martha A. Johnson, Idabel Public Library
07/08/2010 @ 6:00pm – Idabel, OK

Purpose of this Meeting

The purpose of this meeting is to inform the local community members about the Oklahoma Department of Transportation's proposed project to realign U.S. 259 along with standard safety improvements and to receive comment about the suggested alternatives.

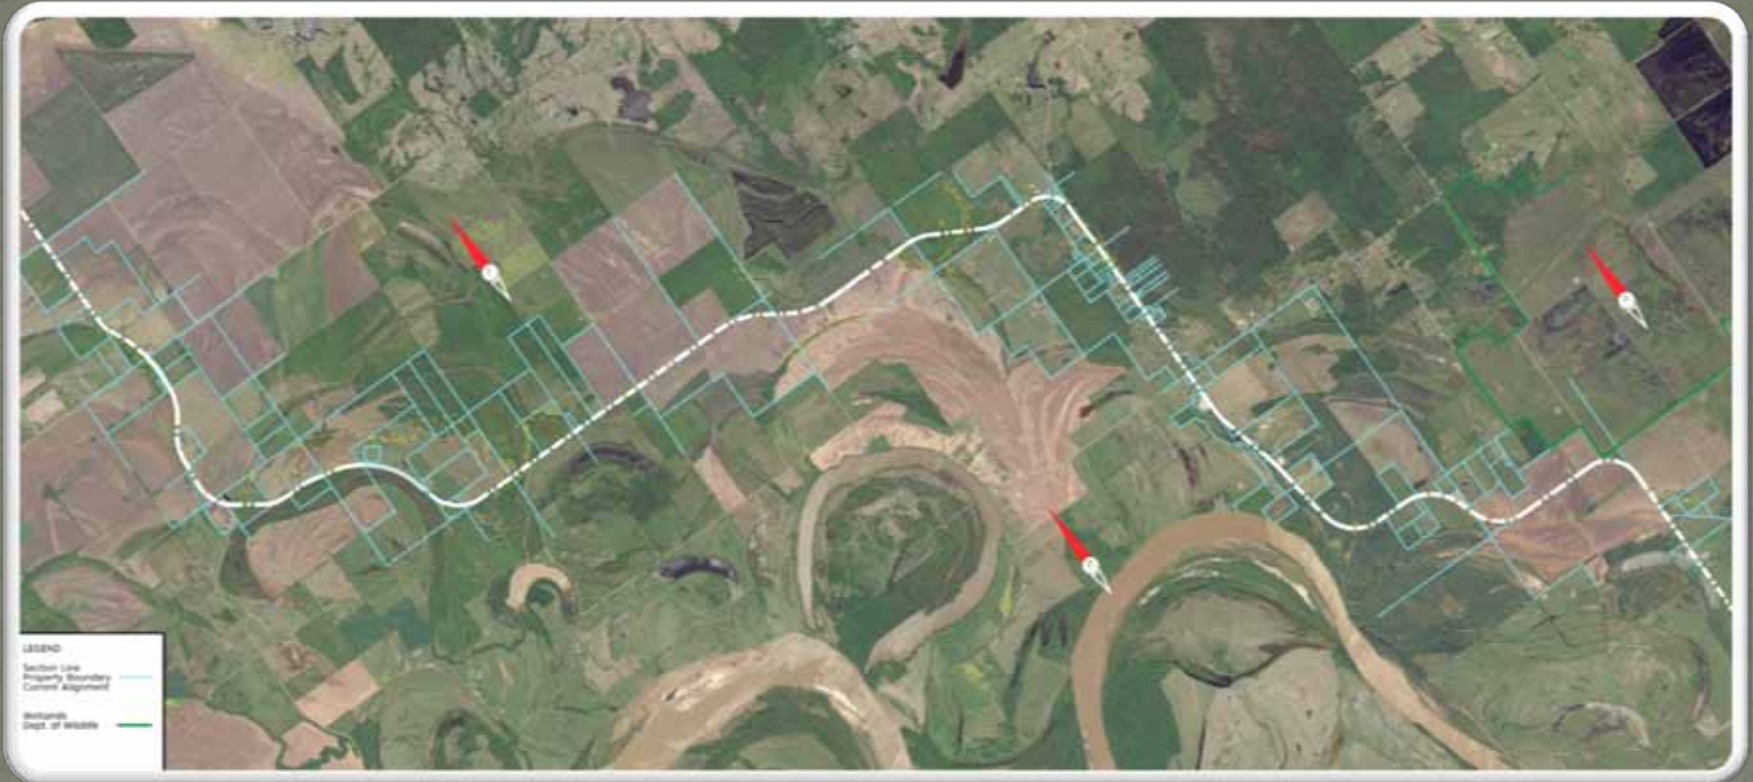

Purpose of this Project

The purpose of this project is to increase the safety of U.S. 259 by realigning the highway for approx. 11 miles from 2 miles north of the Texas State Line, north as well as make standard safety improvements (i.e.: upgrading shoulder width).
