

WELCOME TO THE S.H. 10 INFORMATION MEETING

September 9, 2010 at the Annex Building Community Room

The purpose of tonight's meeting is to inform the local community of the Department of Transportation project to widen S.H. 10 from Industry Parkway, East for approx. 3.75 Miles, to a 5-lane, curb and gutter facility intended to improve the safety of S.H. 10. During Construction, both S.H. 10 and the Turnpike will remain open to traffic.

MEETING AGENDA

1. Welcome and Introductions
2. Presentation
3. Question and Answer Session
4. Open Forum Session

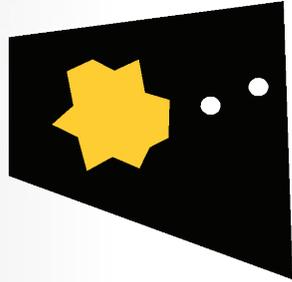

CURRENT CONDITIONS OF THE FACILITY

- All 3 bridges on the facility are rated as Structurally Deficient
- Bridge over Turnpike was built in 1957
- Bridges over Little Elm Creek and Unnamed Creek were built in 1918 & are Load Posted
- Safety Concerns including:
 - --> Currently Over Capacity
 - --> No Shoulders
 - --> Clear Zone Issues
