# S.H. 33 PUBLIC MEETING

05-17-2012 @ 6:00pm

First Christian Church

402 E. Noble Ave., Guthrie, OK 73044

Welcome to The Oklahoma Department of Transportation (ODOT) Public Meeting for SH-33 in Logan County, OK

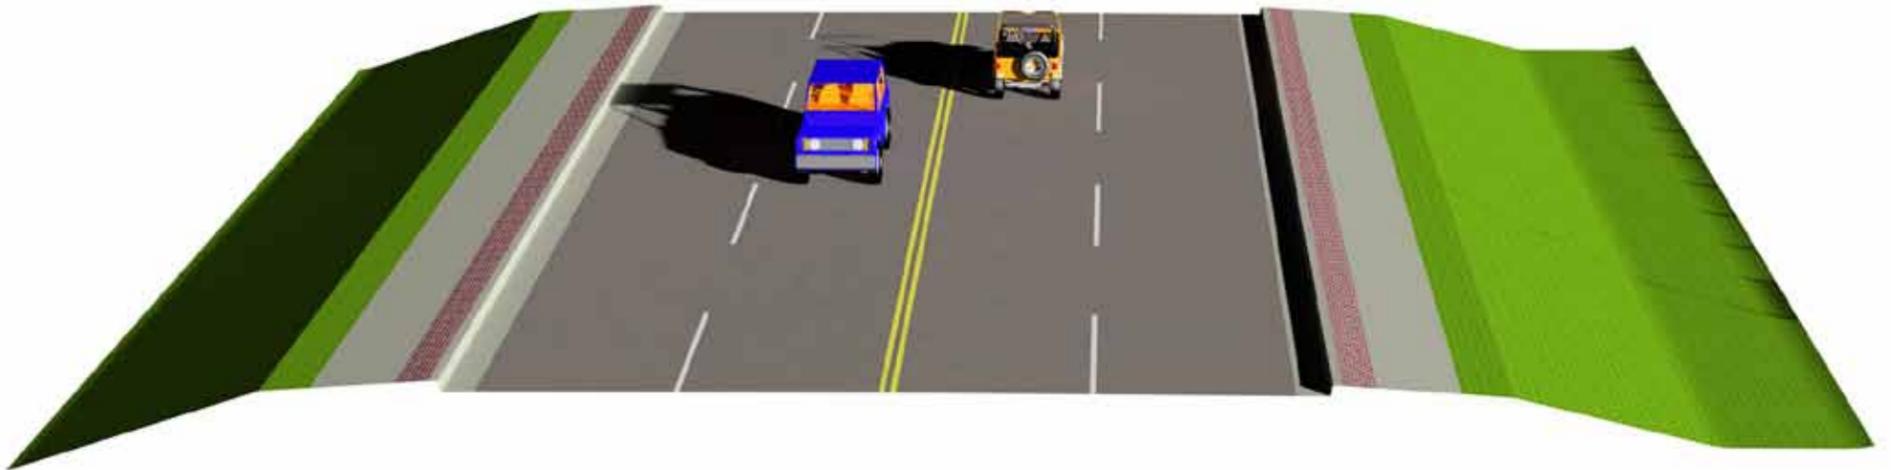

## PURPOSE OF THIS MEETING

The purpose of this meeting is to update the local community and solicit comments about the Department's proposed project to reconstruct SH-33 over Cottonwood Creek in Guthrie, OK.

## PURPOSE OF THIS PROJECT

The purpose of this project is to reduce the frequency of roadway flooding as well as improve the Safety & Functionality of SH-33 through Guthrie by reconstructing the existing bridge structure over Cottonwood Creek & the BNSF Railroad, which has been determined eligible for inclusion in the National Register of Historical Places.

The Oklahoma Department of Transportation (ODOT), in cooperation with the Federal Highway Administration (FHWA) is proposing to improve SH-33 through the City of Guthrie, in Logan County, OK. The proposed improvements include the Reconstruction of the Cottonwood Creek Bridge on a 25' offset to the South of the existing alignment, and the reconstruction of a portion of SH-33 on either side of the new bridge structure. The reconstruction of this portion of the SH-33 facility will improve safety and access through the town as recommended by the department.

## 4-LANE UNDIVIDED TYPICAL SECTION

This undivided typical section includes 4-12' driving lanes, and Curb & Gutter and Sidewalks on each side.

## PROJECT INFORMATION

- Estimated Total Cost of this project is \$16.4 Million
- Right-of-Way & Utility Relocation projected to start in 2012
