NOTICE OF PUBLIC MEETING

PLEASE TELL YOUR FRIENDS & NEIGHBORS

The Oklahoma Department of Transportation (ODOT), in cooperation with the Federal Highway Administration (FHWA) proposes to correct the existing fracture critical truss bridge over Caston Creek on US-270, located 0.9 miles south of the US-271 junction in the Town of Wister, LeFlore County. In addition, the project will include reducing roadway flooding and improve roadway geometry associated with existing US-270 bridge over Caston Creek.

ODOT has scheduled a public meeting to present initial project information and receive public input. The public meeting will include a presentation about the proposed improvements to US-270 including why the improvements are needed, alternatives considered, type of improvements proposed and expected impacts to motorists and the surrounding community. The purpose for the meeting is to obtain information from the public to further assist in the identification of critical social, economic and environmental effects that may result from the project. **The date, time, & location of the public meeting is below:**

DATE: <u>June 26, 2012</u>
TIME: <u>6:00pm</u>
PLACE: <u>Wister High School Cafeteria</u> <u>201 Logan St., Wister, OK</u>

Additional information about the project and the upcoming meeting can be obtained from **Joan Lindley**, ODOT Environmental Project Manager, at 200 N.E. 21st, Oklahoma City, OK, 73105, **(405) 521-3651** or **JLindley@odot.org**.

If you require special accommodations for the meeting, please direct your request to **Frank Roesler III**, ODOT Public Involvement Officer, at 200 N.E. 21st, Oklahoma City, OK 73105, **(405) 521-2350** or **FRoesler@odot.org** at least three (3) working days in advance of the meeting date.

WE LOOK FORWARD TO SEEING YOU THERE
