**Place:** Eastern Oklahoma  
County Technology  
Center  
4601 N. Choctaw Rd.  
Choctaw, OK  
**Room:** Seminar Center

# **NOTICE OF PUBLIC MEETING**

## **PLEASE TELL YOUR FRIENDS & NEIGHBORS**

The Oklahoma Department of Transportation (ODOT), in cooperation with the Federal Highway Administration (FHWA) is proposing to improve Interstate 40 from mile marker 167 to mile marker 173. The existing Interstate 40 through this extent has poor pavement conditions, structurally deficient and functionally obsolete bridges, and inadequate capacity for the current and future traffic demands.

ODOT recently tasked a Consultant to develop construction plans to improve Interstate 40 while taking into consideration construction cost, right-of-way requirements and environmental constraints. The purpose of the rescheduled meeting is to inform the public and solicit comments about the Department's proposed improvement to Interstate 40 in Oklahoma County from a location to the east of the Choctaw Road Interchange, extending east approximately 6 miles to the Pottawatomie County Line

Additional information about the project and the upcoming meeting can be obtained from **Jared Bechtol**, CEC Infrastructure Solutions, **405-753-4200** or [jared.bechtoll@connectcec.com](mailto:jared.bechtoll@connectcec.com) or **David Saulsberry**, ODOT Environmental Coordinator, at 200 NE 21st, Oklahoma City, OK, 73105, **(405) 521-2315** or [dsaulsberry@odot.org](mailto:dsaulsberry@odot.org)

If you require special accommodations for the meeting, please direct your request to **Frank Roesler III**, ODOT Public Involvement Officer, at 200 NE 21st, Oklahoma City, OK 73105, **(405) 521-2350** or [froesler@odot.org](mailto:froesler@odot.org) at least three (3) working days in advance of the meeting.

**WE LOOK FORWARD TO SEEING YOU THERE**
