ODOT OPEN HOUSE

Date: May 15th, 2014

Time: 6:00 to 8:00 PM

Place: Mounds High School
Cafeteria

1601 Russell Ave.

Mounds, OK 74047

NOTICE OF OPEN HOUSE

PLEASE TELL YOUR FRIENDS & NEIGHBORS

The Oklahoma Department of Transportation (ODOT) proposes to improve the US-75A corridor between SH-16 and SH-67 in Creek and Okmulgee Counties. The existing highway is a two lane facility with no shoulders and outdated roadway geometry. The newly constructed facility will include 2 - 12'-0" Driving Lanes with 8'-0" paved shoulders on either side or a curb and gutter section, depending on the location.

As part of our efforts to keep the public informed of this project ODOT has scheduled an **Open House Event**. The **OPEN HOUSE** will include presentation boards displaying the proposed project extents & facility changes, the purpose and need for the project, as well as goals and objectives of the proposed improvements.

For additional information about the project, the upcoming open house, or if you require special accommodations for the open house, please direct your request to **Frank Roesler III**, ODOT Public Involvement Officer, at 200 NE 21st, Oklahoma City, OK 73105, **(405) 521-2350** or froesler@odot.org at least three (3) working days in advance of the open house.

WE LOOK FORWARD TO SEEING YOU THERE
