JOE M. MORGAN MEMORIAL BRIDGE

Senate Concurrent Resolutions Number 24

Approved May 18, 2005

WHEREAS, Joe M. Morgan was born on September 8, 1924, in Poteau, Oklahoma, and then two years later moved with his family to Heavener, Oklahoma. Joe graduated from Heavener High School in 1943 and later enlisted in the United States Army Field Artillery. He received a medical discharge in 1944; and

WHEREAS, Joe M. Morgan began his career with the Oklahoma Highway Department as a tail chainman on the Location Field party at McAlester, Oklahoma, on August 20, 1944. Joe was promoted to Instrument Man on the Survey Party at the Bartlesville Residency on August 1, 1950. In August, 1953, Joe Morgan resigned from the Department to work as a Company Engineer for Frix and Foster Company of Muskogee, Oklahoma, where he was involved with the construction of the State Fairgrounds in Oklahoma City and various highway projects; and

WHEREAS, Joe M. Morgan returned to the Oklahoma Highway Department in 1955 as an Instrument Man at the Sapulpa Residency. On April 1, 1960, Joe Morgan was promoted to Resident Engineer at Tulsa, Oklahoma. Joe was then promoted to Assistant Division Engineer for Construction at Clinton, Oklahoma, on July 1, 1964. On August 1, 1973, he became the Assistant Division Engineer for Maintenance at Clinton, Oklahoma, and on May 1, 1974, he was promoted to Division Engineer. Joe M. Morgan remained as Division Engineer at Clinton, Oklahoma, until he retired from the Department of Transportation on May 31, 1986; and

WHEREAS, Joe M. Morgan will always be remembered by his co-workers, friends, and family: as someone who said what he thought and did what he said he would do; for his dedication to and depth of feeling for the Department of Transportation; as an easy person with whom to communicate; as someone who was good to his employees and always had time for his people; for solving critical problems quickly; and as being fair and honest; and

WHEREAS, Joe M. Morgan was a family man with a wife, two children, three stepsons, and six grandchildren. His leisure interests included fishing, hunting, and raising cattle. Joe was always involved with his community and assisted the City of Clinton, Oklahoma, with traffic control and design. He was a member and former Director of the Oklahoma Society of Land Surveyors. Joe was a volunteer at the Route 66 Museum in Clinton, Oklahoma, where he formed and placed the concrete for the "66" shaped flowerbed and where he obtained various artifacts for display at the Museum. Joe also performed the surveying and staking for the earthwork at the First Christian Church in Clinton, Oklahoma; and

WHEREAS, Joe M. Morgan passed away on May 5, 2000, a loss to his family, friends, community, and the State of Oklahoma.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE OF THE 1ST SESSION OF THE 50TH OKLAHOMA LEGISLATURE, THE HOUSE OF REPRESENTATIVES CONCURRING THEREIN:

THAT the Oklahoma State Legislature praises the public service and honors the memory of the late Joe M. Morgan.

THAT the Oklahoma State Legislature directs the Department of Transportation to name the proposed Washita River Bridge on U.S. Highway 183 approximately .9 mile north of I-40 B in Clinton, Oklahoma, in Custer County, the "Joe M. Morgan Memorial Bridge", and to erect suitable markers.

THAT a copy of this resolution be distributed to the late Joe M. Morgan's wife, Louise; his daughter, Jo Gale Buie; three stepsons, Keith, Greg, and Steven; and the Department of Transportation.

Forward

This report is published by the Planning & Research Division of the Oklahoma Department of Transportation for distribution to the State Legislature, Transportation Commission and Department Administrative personnel. The chronology lists memorial highways, bridges, and other special named routes that have been designated by the State Legislature and the Oklahoma Transportation Commission since 1933. Its primary purpose is to inform the reader of existing named facilities and the prevention of duplicate or multiple commemorations for the same section of highway or bridge site. Commemorative designations for sections of Oklahoma's Turnpike System other than the *Turner* and *Will Rogers* are not listed.

Copies of Legislative and/or Transportation Commission actions pertaining to specific Memorial Highways and Bridges may be obtained upon request from the Planning & Research Division Engineer. Current Transportation Commission policy for dedications and commendations is presented under Title 730, Section 15-1-9 of the Oklahoma Administrative Code. A **(PIC)** symbol in the chronology sections of this report indicates that photographic documentation is available for a particular commemorative highway or bridge. These pictures may be viewed on the Oklahoma Department of Transportation website at www.okladot.state.ok.us/memorial/index.htm.

To date, three hundred and seven (307) memorial designations have been placed on roads and bridges within the state to honor and commemorate Oklahomans and Americans from all walks of life. From Martin Luther King, Jr. to Shannon Miller and Jim Thorpe of Olympic fame, Oklahoma acknowledges the outstanding contributions of its citizens and fellow Americans.

Some monuments of commemorations listed in this book may not presently exist, or the location description appears to have changed. Monuments might have been destroyed due to widening, reconstruction, or relocation of a highway or bridge. A few monument plaques have been stolen, vandalized, or moved to nearby museums or historic sites. After a highway designation has been removed from a commemorative roadway, the local jurisdiction may continue to honor the designated road, street, or bridge.

To obtain a copy of this report or gain more information about a named highway or bridge, contact the Planning & Research Division of the Oklahoma Department of Transportation, 200 N. E. 21st Street, Room 3A-7, Oklahoma City, Oklahoma 73105-3204.

Legislative Commemorations

Types of Legislation

LEGISLATIVE COMMEMORATIONS

Before a Bill or Resolution is written for memorial highway or bridge commemoration signs, consideration should be made of the cost and potential safety hazard of signs. Based on estimates made in 2004, two (2) memorial highway or bridge signs cost approximately \$400 to fabricate and install. This figure does not include the maintenance involved for keeping the sign in place, mowing around the signs, or the potential hazard it poses to the motoring public.

Highways and bridges should not have multiple commemorative designations, therefore, a request for a memorial commemoration should not be made on a highway or bridge that is currently designated in honor of a person or a group. The maps and index in this book are quite helpful in finding which highways or bridges have currently been commemorated.

After legislation is in place to name a highway or bridge, the Bill or Resolution is presented at the following regularly scheduled Oklahoma Transportation Commission meeting. Upon approval of the Commission, the commemoration signs are ordered and fabricated through the Oklahoma Department of Transportation sign shop and shipped to the corresponding Division for installation under the direction of the Division's Traffic Engineer.

If the commemoration is for a person that has not been deceased five or more years, it requires an unanimous Transportation Commission vote to approve the commemoration signs. The Commission is comprised of eight members and occasionally absence of a Commissioner is unavoidable, whereas the item is tabled until the next full Commission meets. Several months may elapse before the approval or denial takes place.

Please look at the Department of Transportation website for the Commission meeting schedule. Contact Mary Brewington, Legislative Analyst at (405) 522-6002 should any questions arise.

TYPES OF LEGISLATION

BILL: Becomes a law if passed by both houses and signed by the Governor.

JOINT RESOLUTION: Has the force and effect of a law if passed by both houses and signed by the Governor.

CONCURRENT RESOLUTION: Does not have the force or effect of a law and must pass both houses. It is not signed by the Governor.

RESOLUTION: Expresses the intent or will of the respective house. It does not have the force or effect of a law and requires passage only by the house that introduced it. It is not signed by the Governor.

CHAPTER 15. HIGHWAY PLANNING

730:15-1-9. Dedications and commendations

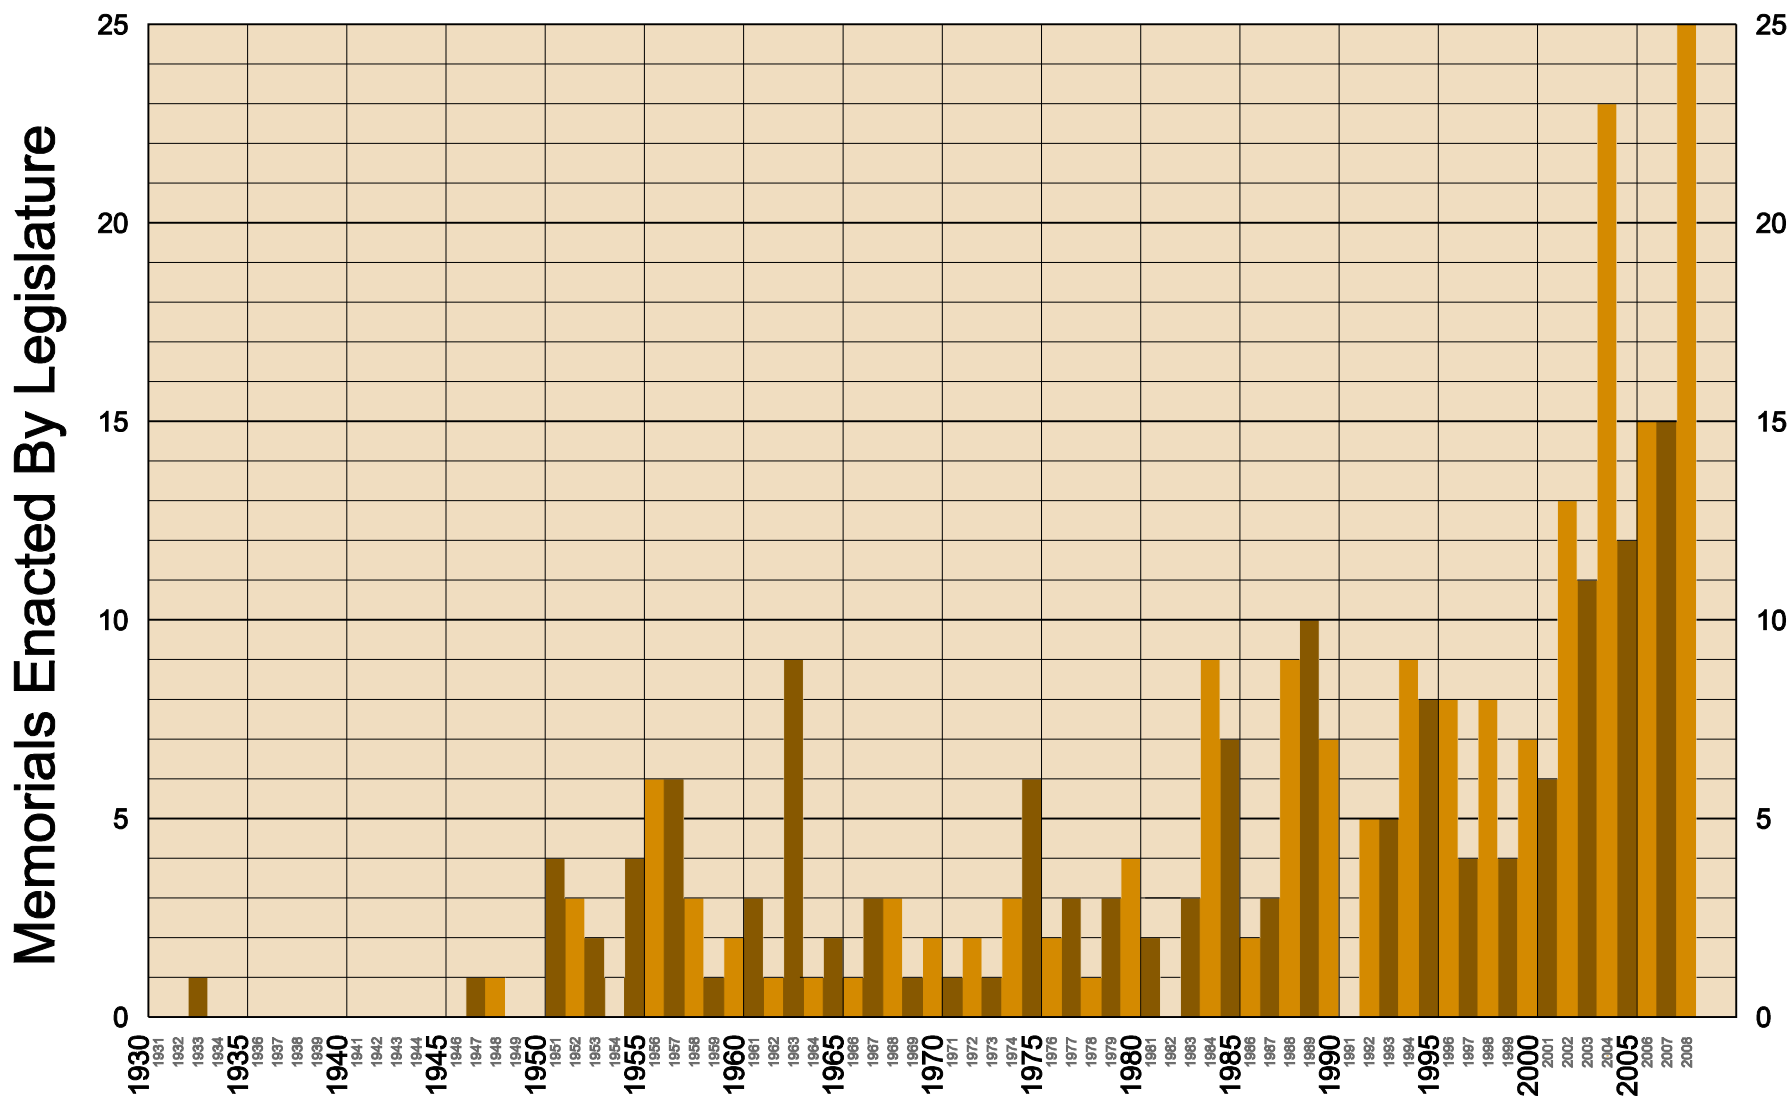

(a) Highway, bridges, and other facilities which are part of the state highway system may be considered for dedication in honor of individuals deserving of commendation for their active involvement in the project or for outstanding service to the nation, this state, or their community. Persons proposed to be so honored shall have been deceased not less than five years prior to consideration. Proposals for the dedication of state highway facilities should specifically state the accomplishments upon which the proposal is based.

(b) Elected governmental bodies may, by formally adopted resolution, propose the naming of such facilities to the Commission.

(c) No facility or group of related facilities shall be considered for naming in honor of more than one individual or entity, once named. Except in the most unusual circumstances, the Commission shall not consider changing the name of the facility, nor shall the Commission consider changing or designating additional names to the current named facility or city street which is also part of the state highway system.

BRONZE PLAQUE AND MONUMENT ERECTED AT MEMORIAL SITES 1940's -1985

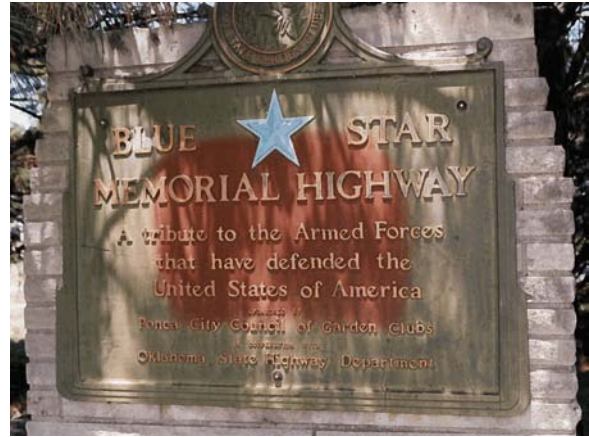

Plaques have been erected at memorial sites prior to 1985. Some monuments might have been destroyed due to widening, reconstruction, or relocation of a highway or a new bridge built. A few monument plaques have been stolen, vandalized, or moved to nearby museums or historic sites.

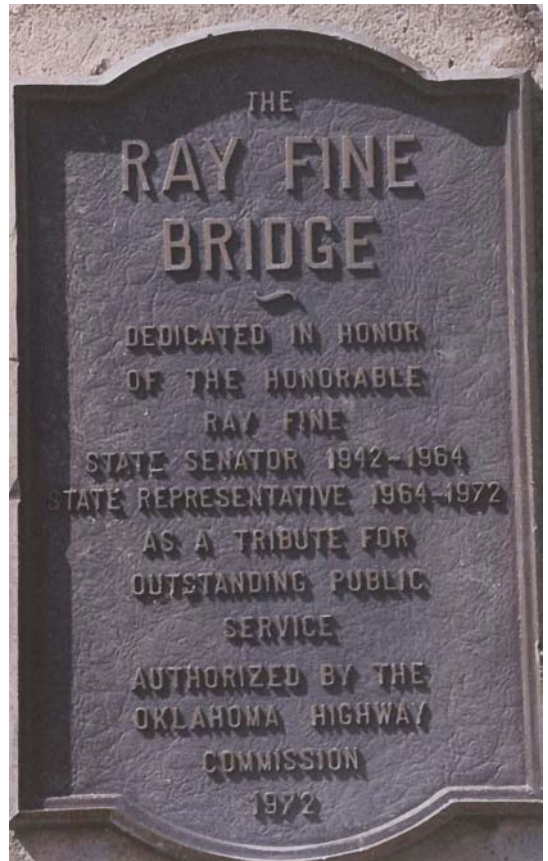

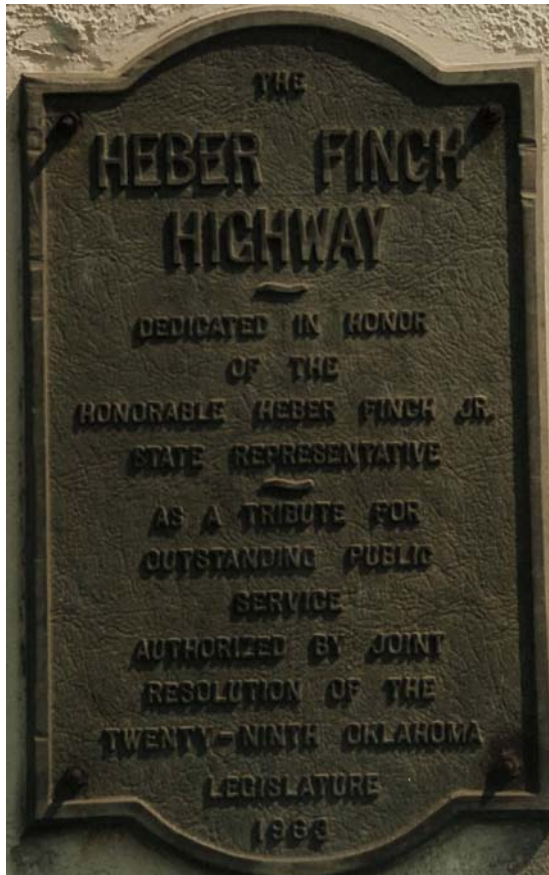

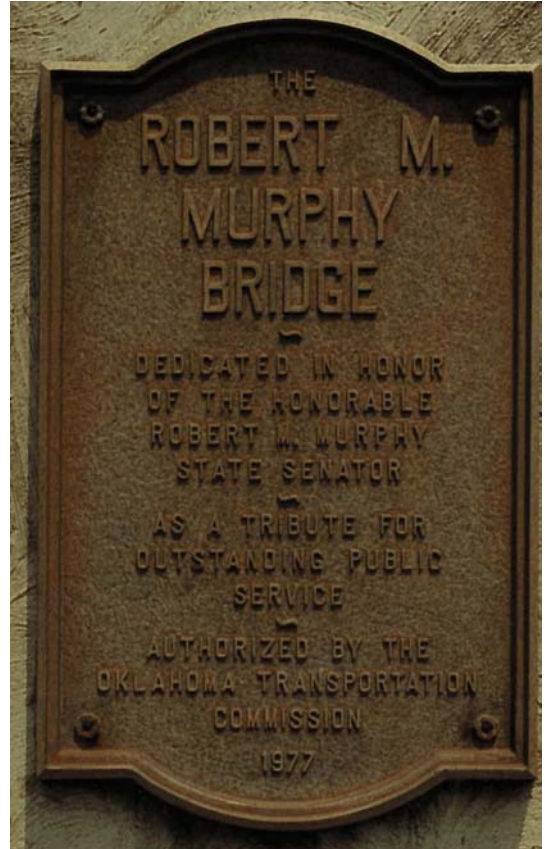

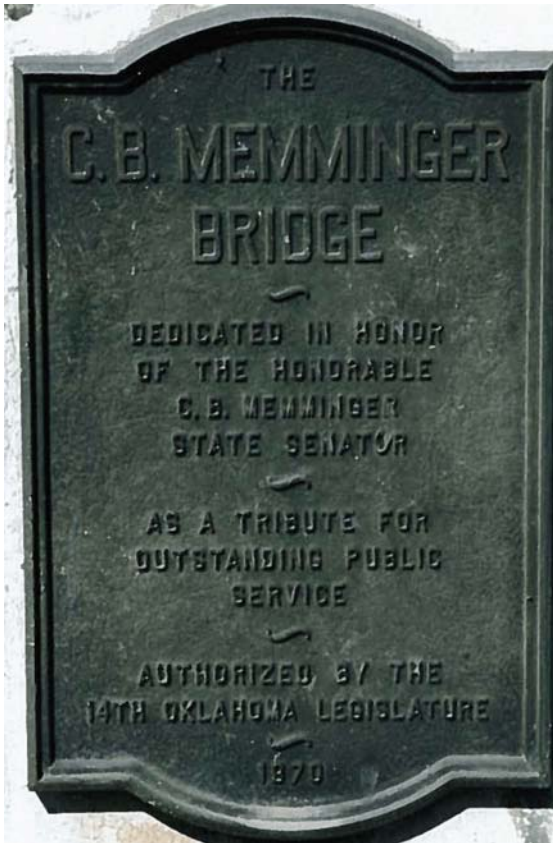

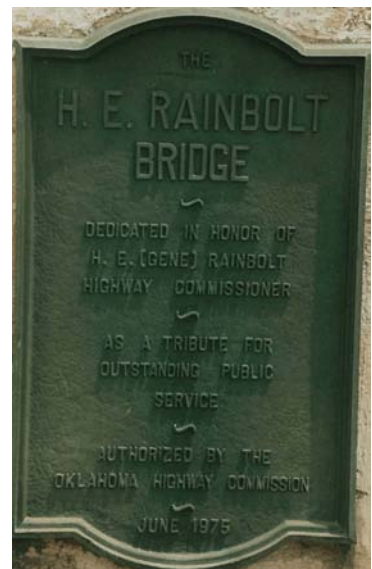

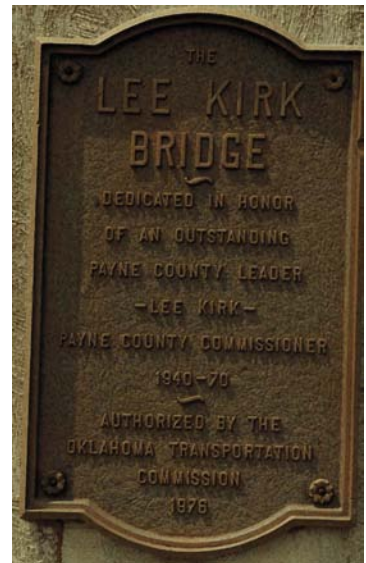

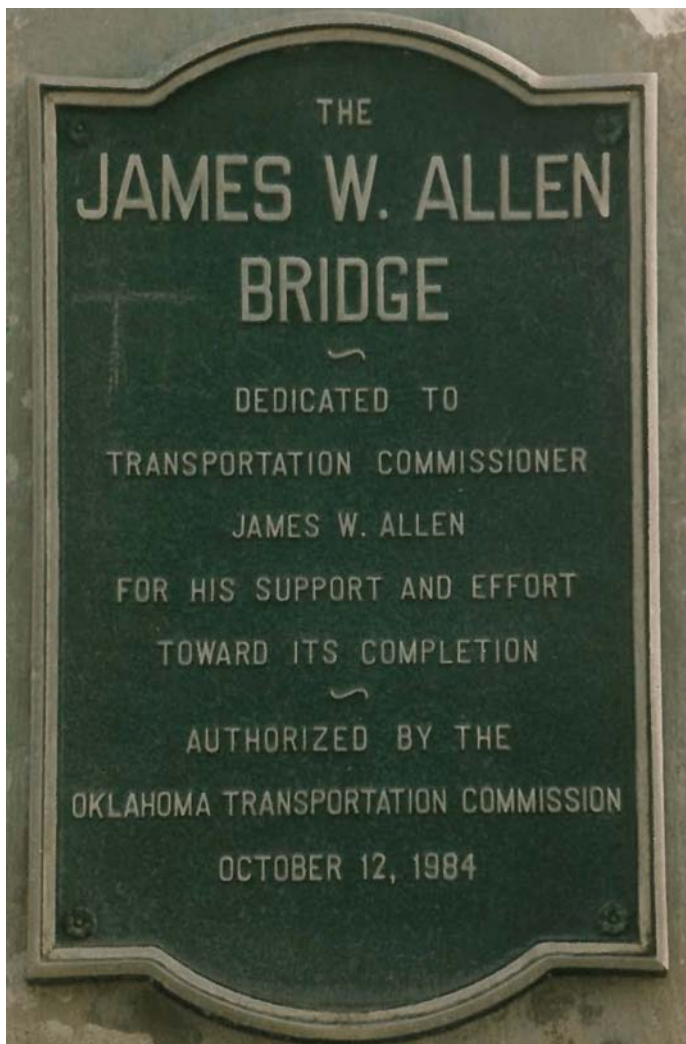

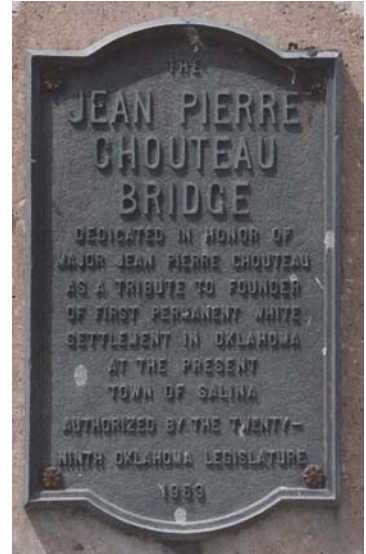

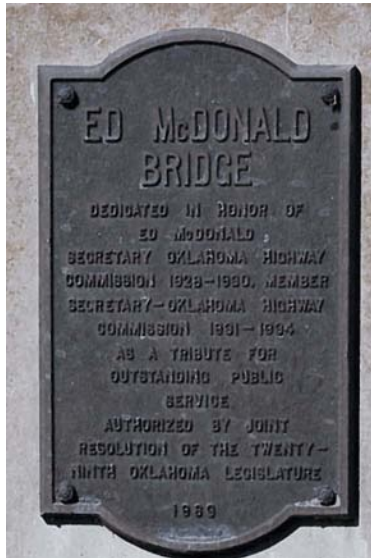

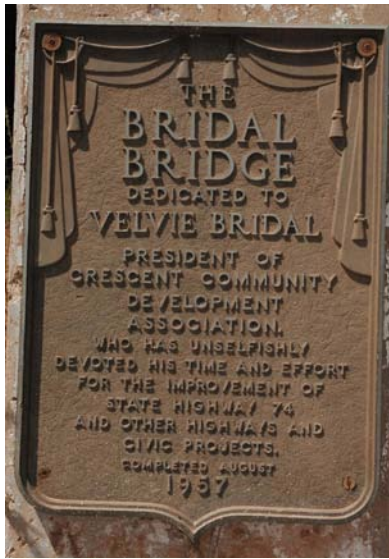

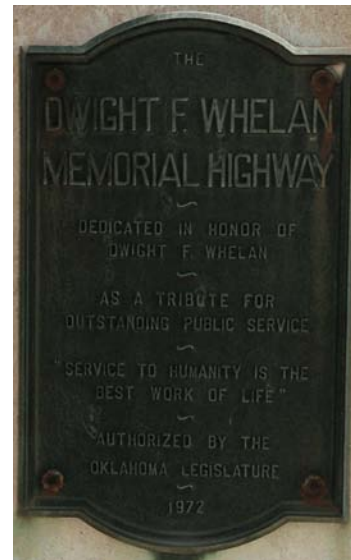

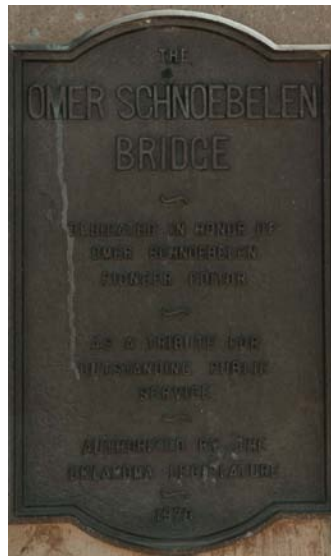

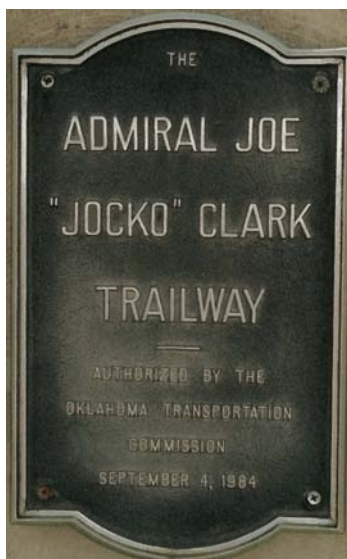

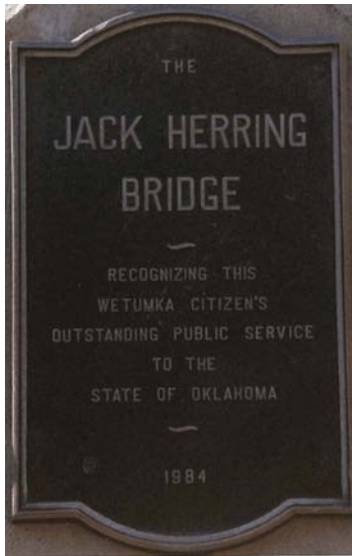

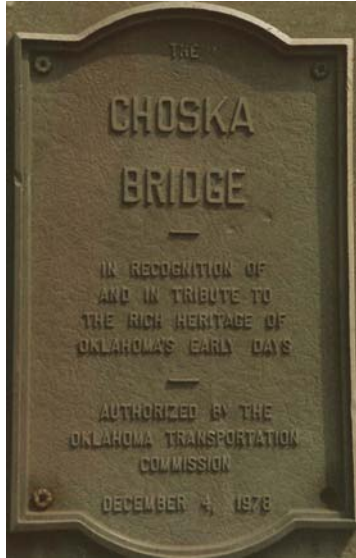

THE BLUE STAR MEMORIAL HIGHWAY

Oklahoma Senate Joint Resolution 12 of 1951 dedicated U.S. Highway 77 throughout the State of Oklahoma as a memorial highway in honor of all Oklahomans who served in the Armed Forces of the United States in World War I and World War II. Markers like this one were set up in roadside parks along the highway by the Garden Clubs across Oklahoma in cooperation with the Highway Department and the Planning and Resources Board. This monument is located at Ponca City at the junction of US 60 and old US 177.
