

OKLAHOMA ROUTE 66  
MAP #28

**Inset Map**  
66 originally turned south from its diagonal path, following Cleveland and 4th to Manvel (1926-1929) over an existing railroad bridge. The first bridge on the present alignment was built in 1927 and opened to traffic in 1929, prior to paving. It was replaced in 1956.

1 Mile  
Scale

Paved in PC - 1930  
Creek Co. line to  
Chandler.  
  
Paved in asphalt - 1928  
Chandler to Warwick  
and Wellston.  
  
In Chandler, brick paving  
already existed on  
Manvel Ave. in 1926.
