ODOT to hold SH-115 public meeting Thursday in Meers

The Oklahoma Department of Transportation is asking citizens to attend a public meeting about proposed improvements to SH-115 from just north of the Meers Store extending north and west to the previously replaced Jimmy Creek Bridge in Comanche Co. In addition, ODOT is considering improvements to SH-115 south of the Meers Store between Medicine Creek Bridge and Chosin Rd.

The purpose of the meeting is to present project information and receive input on the department's plans to reconstruct the two-lane SH-115 roadway including adding shoulders, improving hills and curves and bridge work.

The meeting will start with a presentation including preliminary design considerations and will be held at the following place and time:

Thursday, March 18

6:00 p.m.

Meers Civic Center

Persons who would like to attend this meeting but find it difficult due to disability, architectural barrier, or other special needs, or who require a sign-language interpreter, may contact Craig Moody, ODOT Public Involvement Specialist at 405/522-1465, cmoody@odot.org.
