Re: Federal Railroad Administration Non-Competitive Programs

Dear Ms. Koenig,

The City of Claremore applied for Federal funds under the Rail Line Relocation and Improvement Capital Grant Program. This program is under the direction of the Federal Railroad Administration (FRA). With notification from the FRA still pending, it has come to our attention the grant has been awarded to the City of Claremore for \$332,500.00. The information concerning this grant for the City of Claremore can be found on the FRA website under 2009 Non-Competitive Projects.

Sincerely,

A handwritten signature in black ink, appearing to read "Troy Powell".
